

UNIT 1

The History of Nursing

"Being a **nurse** isn't about grades, it's about being **who we are**. No book can teach you how to **cry with a patient**. No class **can teach** you how to tell their family that their parents have died or are dying. No professor can teach you how to **find dignity** in giving someone a bed bath. A nurse is not about the pills or the charting. It's about being able to love people when they are at their **weakest moments**."
