

Zaccheus **Luke Ch.19 1-10**

Jesus was walking through the city of Jericho one day. And there was this little man named Zaccheus who was rich and wanted to see Jesus. He couldn't see Jesus, because the crowd was very thick. So he climbed up in a sycamore tree so he could see Jesus. Jesus saw him and told him to come down, so they could go to his house. Zaccheus was a tax collector and cheated people out of their money. He got saved that day, and went and repaid back all the people he took money from.

Luke Ch. 19:10- For the Son of man is come to seek and to save that which was lost.

Designed for all types of Bible study, every lesson includes Printed Scripture text in either KJV or NIV, Verse by verse commentary to explain and interpret Scripture, Discussion questions to spark conversation and deeper reflection, How to Say It pronunciation guide for biblical names and places, Verbal illustrations that connect lesson themes to modern life, Learning activities to encourage life application. This Quarter in the Word daily Bible readings to encourage study throughout the week. A quarterly review quiz to test comprehension of Scripture. Free reproducible student activity pages and other helpful resources for each lesson. Trusted for over 60 years, this verse by verse commentary will guide you in an in-depth study of the Bible. Following the International Sunday School Lessons (ISSL) Uniform Series, Standard Lesson explores new topics every year. Deepen your understanding of Scripture in 2025-2026 with these areas of study: Judah: From Isaiah to the Exile; Isaiah 2; Chronicles; Jeremiah 2; Kings; Ezekiel. This section invites us to discover and appreciate how God, through prophets and other leaders, gave help and guidance to the people of Judah. As we study these people, we will see God's hand at work in their lives, just as he is at work in our lives and all human affairs. Enduring Beliefs of the Christian Faith: Exodus; Psalms; The Gospels; Acts; Romans 1 and 2; Corinthians; Ephesians 2; Timothy 1; John; Revelation. This section encourages us to meditate on the fundamental beliefs of the Christian faith. This study will show us that God has revealed his grace and mercy. As a result, God's people are called to live by his standard, a standard that is often countercultural. Social Teachings of the Church: Genesis; Exodus; Deuteronomy; Nehemiah; Isaiah; Daniel; Jonah; Psalms; The Gospels; Acts; Romans 1; Corinthians; Galatians; Ephesians; Hebrews 1; Timothy 2; Thessalonians; James. This section contemplates a kingdom perspective regarding our responsibilities, relationships, and commitments. God instructs his people to relate in particular ways to their friends, neighbors, family, governmental structures, and even the structured rhythm of our days. He cares about how we treat our bodies, what we consume, and how we use our time. The Testimony of Faithful Witnesses: Judges 1; Samuel; Amos; The Gospels; Acts 2; Timothy; Philemon. This section looks at the examples of faithful witnesses from Scripture. These were people who heard the call of God, responded in faith, and testified to God's mercy and fidelity to his promises through their words and deeds. Available in the King James Version (KJV) and New International Version (NIV) Bible translations, the SLC is developed by scholars from numerous church fellowships and outlines an in-depth study of the Bible. *KJV Standard Lesson Commentary® 2025-2026* Standard Publishing, 2025-06-03 As the world's most popular annual Bible commentary for more than three decades, Standard Lesson Commentary SLC provides 52 weeks of study in a single volume. longer held at many churches and sparsely attended at others and when held are often dry and uninteresting Why Lack of clear biblical leadership has largely been the fault It is hardly possible to over estimate the value of the prayer meeting as it stands related to the life and usefulness of the Church of Christ In fact no other service can be compared with this in importance for without a live prayer meeting the church will be spiritually cold the Sabbath services will be formal or in some cases too informal and the children will be fed with husks instead of provisions from the Master s table In this book Lewis Thompson beautifully and clearly offers solutions to the age old complaints about prayer meetings No more must prayer meetings be given a backseat in the list of priorities in churches today In the chapters of this book Thompson addresses topics such as The Importance of Prayer Meetings How to Make Prayer Meetings Interesting Helps to Speaking in Public Songs and Singing How to Secure Prayer Meeting Attendance The Need for Preparation Topics and Illustrations Bible Readings How to Keep the Prayer Meetings Hot and more **The Sunday School Journal** ,1906 **The More the**
