of quantitative and text focused research Webster reveals how commercial motivations have created a gulf between the canonical concepts of the classic and how the term functions as a marketing tool in British children s publishing With notions of what counts as a classic compromised and complicated this book leads the call for a critical approach towards both the term classic and to reading children s classics that acknowledges how they are tied to the commercial enterprises of the children s book business *The Wind in the Willows* Kenneth Grahame,2013-12-30 Mole Water Rat Badger and of course Toad of Toad Hall these characters have captivated children for over a century Join Kenneth Grahame s classic cast of animal friends as they enjoy life on the river hit the road in Toad s brand new cart ge **Summer Reading Classics Three-Book**
