Elisabeth Norman Gardner,2015-04-23 We Are ALL Different combines my love of children and pets into a real life look at bullying I use my own animals as well as those of friends to explain to children just how much bullying hurts Even something that seems harmless like laughing at someone s freckles is portrayed as the real pain that is felt when my Dalmatian is shown hiding her face in embarrassment and hurt Several of the animals in the book are having to deal with mean comments made by classmates The overall message that is conveyed is that everyone is different everyone is beautiful and everyone is worthy of being loved **The Way from Here** Jane Cockram,2022-03-01 Three generations of women Three generations worth of secrets Will a cache of letters from beyond the grave hold the key to unravelling them all The answer to that question lies at the heart of this addictive and atmospheric novel from the author of The House of Brides Growing up the Anderson sisters could not have been more different Susie the wild one had an adventurous life while Camilla Mills followed a safer path When Susie suddenly dies Mills falls apart Until she receives a bundle of mysterious letters from her estranged sister to be read in the case of her death Each letter instructs her to visit a place special to Susie both to spread her ashes but also to uncover some truths Susie has long kept hidden from her family Their mother Margaret has secrets of her own When living in

Swinging Sixties London she too made a decision about her life that not only haunts her but will reverberate through the generations One family three very different women What choices and secrets connect them In this novel of truth and lies concealment and regret Jane Cockram flips the looking glass to expose our true face revealing the deep lines of deception that can run through families and how the people we love the most often have the most to hide **Westgate v. Dragomán,2008-03-18 An international sensation this startling and heartbreaking debut introduces us to precocious eleven year old Djata whose life in the totalitarian state he calls home is about to change forever Djata doesn t know what to make of the two men who lead his father away one day nor does he understand why his mother bursts into tears when he brings her tulips on her wedding anniversary He does know that he must learn to fill his father s shoes even though among his friends he is still a boy fighting with neighborhood bullies playing soccer on radioactive grass having inappropriate crushes sneaking

into secret screening rooms and shooting at stray cats with his gun happy grandfather But the random brutality of Djata s world is tempered by the hilarious absurdity of the situations he finds himself in by his enduring faith in his father s return and by moments of unexpected beauty hope and kindness Structured as a series of interconnected stories propelled by the energy of Dragom n s riveting prose the chapters of *The White King* collectively illuminate the joys and humiliations of growing up while painting a multifaceted and unforgettable portrait of life in an oppressive state and its human cost And as in the works of Mark Haddon David Mitchell and Marjane Satrapi Djata s child s eye view lends power and immediacy to his story making us laugh and ache in recognition and reminding us all of our shared humanity Mid-Pacific Magazine
