We Are Our Mothers Daughters Revised And Expanded Edition:

We are Our Mothers' Daughters Cokie Roberts, 1998 Essays about a number of women in the author's life including her mother former Congresswoman Lindy Boggs *5 Conversations You Must Have with Your Daughter, Revised and Expanded Edition* Vicki Courtney, 2019-03-01 From the cradle to college tell your daughters the truth about life before they believe the culture's lies For mothers with girls newborn to eighteen Five Conversations You Must Have with Your Daughter is simply a must have book Youth culture commentator Vicki Courtney helps moms pinpoint and prepare the discussions that should be ongoing in their daughters formative years To fully address the dynamic social and spiritual issues and influencers at hand several chapters are written for each of the conversations which are 1 Don't let the culture define you 2 Guard your heart 3 Have a little sex respect 4 Childhood is only for a season 5 You are who you've been becoming The book also includes questions at the end of each conversation to help facilitate individual or group study *Mother Daughter Wisdom* Christiane Northrup, M.D., 2006-03-28 From the best selling author of *Women's Bodies* *Women's Wisdom* and *The Wisdom of Menopause* With such groundbreaking bestsellers as *Women's Bodies* *Women's Wisdom* and *The Wisdom of Menopause* Dr Christiane Northrup is one of today's most trusted and visionary medical experts Now she presents her most profound and revolutionary approach to women's health The mother daughter relationship sets the stage for our state of health and well being for our entire lives Because our mothers are our first and most powerful female role models our most deeply ingrained beliefs about ourselves as women come from them And our behavior in relationships with food with our children with our mates and with ourselves is a reflection of those beliefs Once we understand our mother daughter bonds we can rebuild our own health whatever our age and create a lasting positive legacy for the next generation *Mother Daughter Wisdom* introduces an entirely new map of female development exploring the five facets of feminine power which range from the basics of physical self care to the discovery of passion and purpose in life This blueprint allows any woman whether or not she has children to repair the gaps in her own upbringing and create a better adult relationship with her mother If she has her own daughter it will help her be the mother she has always wanted to be Written with warmth enthusiasm and rare intelligence *Mother Daughter Wisdom* is an indispensable book destined to change lives and become essential reading for all women *Adopted for Life (Updated and Expanded Edition)* Russell Moore, 2015-10-14 The doctrine of adoption God's decision to adopt sinful men and women into his family stands at the heart of Christianity In light of this Christians efforts to adopt beautifully illustrate the truth of the gospel In this popular level and practical manifesto Russell Moore encourages Christians to adopt children and to help other Christian families to do the same He shows that adoption is not just about couples who have struggled to have children Rather it's about an entire culture within evangelicalism a culture that sees adoption as part of the Great Commission mandate and as a sign of the gospel itself [Ethics for a Brave New World](#), Second Edition (Updated and Expanded) John S. Feinberg, Paul D. Feinberg, 2010-11-04 Aldous Huxley's 1932 book *Brave*

New World foresees a world in which technological advances have obliterated morality and freedom John Feinberg and Paul Feinberg in the first edition of *Ethics for a Brave New World* noted how Huxley landed frighteningly close to the truth Their book responded to ethical crises such as abortion euthanasia capital punishment and genetic engineering by looking to Scripture for principles to guide us through the moral quagmires of our time Now dramatically updated and expanded this edition of *Ethics for a Brave New World* seeks to maintain the relevance rigorous scholarship and biblical faithfulness of the first edition While many of the topics covered in the book remain the same John Feinberg has revised each chapter to keep it current with contemporary trends and to respond to the most recent scholarship There is a new chapter on stem cell research and greatly expanded material on issues such as homosexuality and genetic engineering This important resource will be a valuable guide for students and those seeking answers to ethical dilemmas ***Different Daughters*** Louise Rafkin,1996 Coming out to Mom is a lesbian rite of passage In the third edition of this landmark anthology 34 remarkable women face their fears and confusion prejudice and misunderstandings and speak honestly and bravely about the difficulties and joys of life with their different daughters Among the topics of discussion are family community religion grandchildren bisexuality transgenderism and coming out ***The Hurting Parent*** Gregg Lewis,2010-02-02 Christian parents are not exempt from the struggle and heartbreak caused by rebellious children This softcover version of the classic resource *The Hurting Parent* by Margie Lewis written with her son bestselling author Gregg Lewis for the first time offers the rest of the story that inspired the original edition of this book *The Hurting Parent* takes a realistic approach to the problems young people face today peer pressure easy access to drugs and alcohol and cultural influences that pull them from their family's faith The Lewises acknowledge there are no simple formulas or simple answers But the biblical insight emotional understanding and practical encouragement they offer will be life changing Written by a hurting parent for other hurting parents this book by ministering to hundreds of thousands of families over the past thirty years has earned a prominent spot not only on the personal bookshelves of countless parents and their family and friends but also on the professional shelves of pastors youth ministers and Christian counselors ***Library Journal*** ,1998 ***Trusting Ourselves*** Karen Johnson,1991 Definitive and comprehensive *Trusting Ourselves* is the only book to cover every aspect of psychology as it applies to women This groundbreaking work will empower its readers to understand and make decisions about their psychological well being and treatment in much the same way *Our Bodies Ourselves* redefined women's health care In a radical reversal of the usual approach to psychological care which assumes that only the professional understands the problem Johnson strongly believes that women and their values perspectives and biases have merit and that most patients understand why they're not happy with their lives *Trusting this self knowledge and taking action on one's own behalf* provide a foundation for all the information in this book It is time to revise psychotherapy to incorporate a woman's perspective ***The Library Journal*** ,1998-04 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal
