Gospel Discipleship Congregation Guide Michelle J. Morris, 2020-03-31 Each congregation has a unique mission field Several tools for developing disciples and for engaging in discipleship are available to churches however the resources assume that the churches using them are similar to the church that created them With Gospel Discipleship individuals and churches learn how to engage in self reflection which then defines a path that fits their context The discipleship path for each individual disciple is assessed and determined through the Gospel Discipleship Participant Guide while this Gospel Discipleship Congregation Guide guides the implementation of the program and assesses the discipleship path for the congregation as a whole Therefore the program leader's needs the congregation guide while individual participants need their own participant guide With Gospel Discipleship churches can identify a pathway for discipleship applied from one of the four Gospel storytellers Matthew Mark Luke and John Each had a distinct approach to discipleship which can be applied to a given church's identity vision and mission As disciples are encouraged by the church to step beyond the door and engage the needs of people they can be sent forth confidently with an awareness of personal unique gifts and insights into the actual mission field where they participate with God in changing the world Winning Others For God: Effective Gospel Sharing Carl Shank, 2018-07-25 Effective evangelism Many scholars and theologians and pastors and teachers have sought to deal with the issue of effective gospel witness or biblical evangelism Have we really followed Jesus in the realm of reaching others for Jesus That is the question that drives this new book for effective evangelism in our day

A Practical Guide for Church Ushers & Greeters Joseph Brewer, 2021-01-21 What is an usher He is the can do will do go to guy for his pastor during the services at his church He sets aside his personal desires to serve his pastor the congregation and the guests in attendance He is the smile and extended hand of welcome as you enter the doors to his church He's the guy ready with the answers to your questions or he knows where to get the answers The professional manner in which he conducts himself creates a smooth and seamless worship experience for all those in his building He's the watchman at the gate keeping an eye out for dangers He has a plan for when unforeseen circumstances arise He is prepared to act decisively when called upon He's the man who will show you to your seat and is entrusted to take up the offering The decision to write this booklet came from the careful study of the somewhat antiquated handout I have been giving my new ushers to read when they begin their role as an usher at our church I ordered several more books on the subject to search for a book that embodied everything I wanted to instill in my team of ushers but my search came up lacking While these

handouts and books were great literature they did not quite offer the depth that I was looking to give to my ushers Through this search I found some to be more ritual than helpful while others were very heavy on the theology of ushering and church boards but less practical I wanted something practical and more to the point of how to deal with everyday circumstances in the role of an usher I wanted to find a book that speaks more directly to the reader Since my search result came up empty I decided to write one myself I approach this subject from over twenty years of ushering experience and thirteen years as a head usher I also draw from my twenty five years of working in industrial construction as what is called a Millwright and for a time as an Ironworker During most of my time working in construction I was the foreman on the job Years later I would take from these experiences and apply them in my role being the head usher of my church After more than twenty years of being involved with various ministries in my church all the while being a greeter and an usher I can tell you that in my opinion and experience being a greeter or being an usher is one of the most important ministries you can take part in at your church Being an usher and or a greeter is very rewarding and brings a substantial amount of joy if you approach it the right way It can also be frustrating heartbreaking and at times very intense I have been the head usher in my church since 2007 I m in charge of ushering greeting and security I get to see many aspects of the ministry from various perspectives and I will touch on all three areas in this book My life verse is Psalms 84 10 It reminds me every day of where I want to be in my life and why I do what I do For a day in Thy courts is better than a thousand I had rather be a doorkeeper in the house of my God than to dwell in the tents of wickedness Psalms 84 10 KJV
