Congress. House. Committee on Government Reform, 2002 You're Not That Great Elan Gale, 2017-12-05 A hilarious scathing send up of the self help genre in the bestselling tradition of *The Life Changing Magic of Not Giving a F ck* from social media mogul and *The Bachelor* producer Elan Gale I am addicted to positivity I am addicted to positivity I am addicted to positivity I care more about feeling great than being great I am NOT THAT GREAT The self help industry tells you that if you're positive if you put your best foot forward and if you just believe in yourself that you will find happiness Let's be real you can read all the inspirational quotes you want You can spend your days giving yourself affirmations in your heart shaped mirror and trying to learn to love yourself You can say your mantra over and over again while sitting cross legged on a yoga mat in a Whole Foods parking lot But the truth is you're not a badass and you still don't have the life you want That's where *You're Not That Great* but neither is anyone else comes in This book teaches you how to harness all the negativity in the world and use it to improve your life taking everyday feelings like self loathing regret and shame and making them work for you Positive thinking is for assholes Negative thinking is for winners **No Man's Ghost** Jason Powell, 2025-05-27 It's an FDNY firefighter's first and possibly last week on the job Charles Davids is a probationary firefighter working his first week out of the academy For Charles quietly battling his lack of confidence is a daily challenge as his new officers coach him on life as a New York City firefighter The men love to tease and prank the new guy but when it comes to drilling and training they're clear that the job is no joke As is said in the fire service let no man's ghost return to say my training let me down Unfortunately for Charles his first week is the same week that Alan Johnson an unstable and soon to be ex husband gets kicked out and comes up with the idea to report fake fires at his wife's apartment every night Alan laughs

at the thought of her being awakened nightly by sirens and horns if he can't sleep in their apartment why the hell should she But after days of crying wolf Alan decides that fake fires aren't enough Set on the hot summer streets of NYC and building to a fiery conclusion No Man's Ghost is a vibrant and thrilling look at the people who keep a city safe and the ones who want to watch it burn
