**CONTROL YOUR INNER CONVERSATIONS - Neville Goddard Lectures**  
Neville Goddard Goddard, 2017-05-31 The whole manifested world goes to show us what use we have made of God's gift Receiving a gift does not mean that we are going to use it wisely but we have the gift Everyone has the gift and the world simply reflects the use of that gift In The Merchant of Venice Shakespeare puts these words into the mouth of Portia If to do were as easy as to know what were good to do chapels had been churches and poor men's cottages princes' palaces It is a good divine who follows his own instructions I can easier teach twenty what were good to be done than to be one of the twenty to follow my own teaching So you and I have been given a gift To what use have we put it In a book written in the First Century written at the time of our Gospel it's called the Hermetica and this is a translation by Walter Scott It is a wonderful series of four volumes and in this he says There are two gifts that God has given to man alone and to no other mortal creature and these two gifts are Mind and Speech And the gifts of Mind and Speech are essential and identical with Immortality If they are used rightly man will not differ in any respect from the immortals and when he quits the body these two will be his guides and they will lead him into the troop of the gods and to the souls that have attained to bliss

Neville Goddard, This book *Become Master of Your Imagination* brings together a carefully selected series of lectures by Neville Goddard on the theme of mastering your imagination and your inner conversations Neville Goddard was an eminent 20th century lecturer and writer who devoted his life to studying and teaching the principles of manifestation and the power of the imagination In these lectures you ll discover valuable teachings on how to consciously use your imagination to create your desired reality as well as tips on how to effectively dialogue with yourself Whether you want to achieve your goals improve your relationships or simply live a more fulfilling life this book will guide you on the path to mastering your mind and your unlimited potential Get ready to dive into the captivating world of Neville Goddard and discover the keys to transforming your life through your imagination and inner conversations The book includes the following lessons 1 Changing the Feeling of I 1953 2 The Pruning Shears of Revision 1954 3 Mental Diets 1955 4 Control Your Inner Conversations 1971 5 The Secret of Imagining 1960 6 How to Use Your Imagination 1955 7 Imagination Fulfills Its Self 1968 8 The Game of Life 1969 9 Infinite States 1968 10 Power Called The Law 1969 11 The Secret of Prayer 1967 12 The Secret of God 1967

For it is magic this pruning shears of revision It really is not only the achievement of objectives but if you do it daily it will awaken in you the spirit of Jesus which is continual forgiveness of sin The Pruning Shears of Revision Now when you read the story you think it happened thousands of years ago I have come to tell you it is now You are now in the garden of Eden and you think you are shut out or banished You are in it and the garden is your mind but you need like every gardener you need pruning shears For you have slept as you are told in that second chapter Having slept weeds have appeared in the garden and the weeds are revealing themselves by the conditions and the circumstances of life For your garden is always projecting itself on the screen of space and you can see by looking carefully at your world what you allow to grow in the garden of God The Pruning Shears of Revision The world only bears witness of the use or misuse of imagination The Pruning Shears of Revision The world is a magic circle of infinite possible mental transformations For there are an infinite number of possible mental conversations When man discovers the creative power of inner talking he will realize his function and his mission in life Then he can act to a purpose Without such knowledge he acts unconsciously Everything is a manifestation of the mental conversations which go on in us without our being aware of them But as civilized beings we must become aware of them and act with a purpose A man s mental conversations attracts his life As long as there is no change in his inner talking the personal history of the man remains the same To attempt to change the world before we change our inner talking is to struggle against the very nature of things Man can go round and round in the same circle of disappointments and misfortunes not seeing them as caused by his own negative inner talking but as caused by others
