education Address challenges that Latino boys face in the home and at school *Alternatives to Privatizing Public Education
and Curriculum* Daniel Ness,Stephen J. Farenga,2017-03-16 Through conversations in honor of Dale D Johnson this book
takes a critical view of the monoculture in curriculum and policy that has developed in education with the increase of federal
funding and privatization of services for public education and examines the shift from public interest and control to private
and corporate shareholder hegemony Most states educational responsibilities assessment of constituents curriculum
development and instructional protocols are increasingly being outsourced to private enterprises in an effort to reduce state
budgets These enterprises have been given wide access to state resources such as public data from state sanctioned testing
results field testing rights to public schools and financial assistance Chapter authors challenge this paradigm as well as the
model that has set growing premiums on accountability and performance measures Connecting common impact between the
standards movement and the privatization of education this book lays bare the repercussions of high stakes accountability
coupled with increasing privatization Winner of The Society of Professors of Education Book Award 2018

This package includes the Enhanced Pearson eText loose leaf version and the Video Analysis Tool in MediaShare for Introduction to Teaching. Your Introduction to Education takes future teachers into an authentic classroom to empower them to explore content and classrooms reflect on what they're learning and develop a sense of the kind of teacher they aspire to be. In these pages readers discover whether teaching is for them and if so what they may be like as teachers tomorrow. Here readers explore the concepts through the real life experiences of 10 teachers and 12 students from four schools across the urban, suburban and rural landscape of the United States. It's a real life demonstration of what teaching is really like through classroom scenarios and person to person interactions both by word and through hours of video. Today's current relevant issues in education are discussed in engaging ways and both the art and service of teaching and the science of teaching are presented in an accessible writing style that grabs and keeps students' interest as they move through the concepts they will encounter in their own classrooms one day. The Enhanced Pearson eText features embedded video, embedded audio and chapter review questions. Improve mastery and retention with the Enhanced Pearson eText. The Enhanced Pearson eText provides a rich interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is Engaging. Teachers and Philosophy Cara E. Furman, Tomas de Rezende Rocha, 2025-02-01. Philosophers and educators come together to address contemporary issues in education. Teachers and Philosophy showcases the potential of education practitioners and philosophers of education working and writing together. Following Mary Louise Pratt, this meeting space is referred to as a contact zone and contributors demonstrate the power and benefit of writing from this liminal space. Introductory and concluding chapters provide an argument for the value of bringing together philosophers and practitioners as well as tips for facilitating these interactions. Situated amid the COVID-19 pandemic, the volume grapples with the

challenges that practitioners face around teaching controversial topics crafting inclusive curricula indigeneity disability urban schooling nature based education rural education mental health coping with feelings of anger and more Each chapter ends with suggestions for further reading or engagement questions for reflection and discussion and an activity that a class or reading group can move through together
