Yun The Illustrated Story Of The Heavenly Man:

Yun Paul Hattaway, Brother Yun, 2006 A new edition in a widely accessible format of the worldwide best selling and astonishing story of Brother Yun one of China's most dedicated courageous and intensely persecuted house church leaders

Heavenly Man Paul Hattaway, Ed Chatelier, 2006 The Heavenly Man has been a publishing phenomenon At least 350 000 have been sold in the Monarch edition alone We are still printing in three locations worldwide to keep up with demand At least 200 000 in Korean 30 other languages to date The book has provoked furious debate To reach a different audience we have commissioned a graphic version from the same studio as produced The Lion Graphic Bible Artwork is being drawn and inked by Chinese illustrators to keep the idiom authentic The book will be published in black and white as this was felt to be more in keeping with subject and likely market We have opted for the same format as The Lion Graphic Bible **Book 11**

Miracle Working HC Kurt Jurgensmeier, 2012-08-22 Is God still doing miracles today Because of the many claims of charismaticism a rather detailed biblical study of the matter is warranted We defend the following conclusions Modern miracle workers cannot demonstrate the attributes of biblical ones and are lying when they claim similar gifts There are no God sent miracle workers in Scripture that were not also sources of new direct divine revelation to be believed and obeyed as the word of God The faith to perform or receive a miracle is just as supernatural and God given as the miracle itself and modern faith healers are wrong to blame disappointed followers for their lack of such faith The Church has universally testified that the gifts of miracle working ceased in the early Church with the completion of the NT The fraud in the modern miracle movement has been immense Other legitimate explanations for modern miracles are intriguing and even alarming

Jesus Is the Way, Truth, Life Michael Pietrzyk, 2020-08-19 If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you deny Jesus then this book is for you So many Christians take Jesus for granted and so many people do not understand His torment and the suffering He endured for us We began a spiritual journey when we enter this world We have a natural body and a world full of responsibilities to challenge us on our journey We are influenced by many outside sources and personal interactions with our family members and friends Ultimately we make the most important decision of our life Do we believe in God and accept Jesus as our Savior or do we reject God and accept atheism When you analyze the facts of the life of Jesus his loving teachings his horrible suffering death and miraculous resurrection you come to understand He did it for you Jesus is the Way the Truth and the Life His teaching brings light into your life Jesus is the gateway to eternal happiness when we leave this world Atheism with its evil influence wants to drag you down and have you reject God Atheists are in total denial about God Jesus supernatural experiences something from nothing and the wisdom in the formation of this universe and mankind Atheists want you to believe you will simply rot in the ground and accept life with no future hope If you are an atheist don't laugh at this thought and concern As a Christian I care for you and your soul That is certainly more than what the atheistic thinking has in mind for you Atheism

under the influence of Satan offers you nothing but the door way to eternal conscious separation from God This book is a direct challenge to the thoughts and beliefs of the atheist I wrote this book with the hope it just might stir the mind of a non believer Then believing the Holy Spirit will do the rest **The illustrated Globe encyclopaedia** Globe encyclopaedia,1890
