Driving after Class Rachel Heiman, 2015-01-16 A paradoxical situation emerged at the turn of the twenty first century the dramatic upscaling of the suburban American dream even as the possibilities for achieving and maintaining it diminished Having fled to the suburbs in search of affordable homes open space and better schools city raised parents found their modest homes eclipsed by McMansions local schools and roads overburdened and underfunded and their ability to keep up with the pressures of extravagant consumerism increasingly tenuous How do class anxieties play out amid such disconcerting cultural political and economic changes In this incisive ethnography set in a New Jersey suburb outside New York City Rachel Heiman takes us into people s homes their community meetings where they debate security gates and school redistricting and even their cars to offer an intimate view of the tensions and uncertainties of being middle class at that time With a gift for bringing to life the everyday workings of class in the lives of children youth and their parents Heiman offers an illuminating look at the contemporary complexities of class rooted in racialized lives hyperconsumption and neoliberal citizenship She argues convincingly that to understand our current economic situation we need to attend to the subtle but forceful formation of sensibilities spaces and habits that durably motivate people and shape their actions and outlooks Rugged entitlement is Heiman s name for the middle class s sense of entitlement to a way of life that is increasingly untenable and that is accompanied by an anxious feeling that they must vigilantly pursue their own interests to maintain and further their class position *Driving after Class* is a model of fine grained ethnography that shows how families try to make sense of who they are and where they are going in a highly competitive and uncertain time **Teacher in Zimbabwe** ,1993

Cry My Beloved Zimbabwe K. Nyamayaro Mufuka, 2002 As always K Nyamayaro Mufuka is a courageous writer In this book he asks the question do the kleptomaniac rulers of post independent Zimbabwe have a conscience Mufuka s merciless pen spares no one He does not spare even his own family Here is Zimbabwe s renowned author at his best This is a damaging satire on the politics of greed in Zimbabwe under the new postcolonial government of Mukuru Mukuru In 1980 when

Zimbabwe achieved its independence it was regarded as a jewel in Africa Twenty years later a vicious one party dictatorship under the leadership of Mugabe almost destroyed this dream In this collection of short stories the author takes the subject of conscience as his theme His main character Dr Bogozo is an extremely gifted man Bogozo a founding father of the Revolutionary Party is forced to watch as his dream of a prosperous and free Zimbabwe self aborts and turns into a nightmare His conscience troubles him as he is torn between his political party loyalty and his beloved country K Nyamayaro Mufuka is a gifted storyteller His characters come alive while the readers experience flashes of pain and sorrow A Zimbabwean reviewer once said this is not fiction We can figure out the people whom he is talking about Therefore readers are left with the feeling that the events narrated in these pages are not fictional
