

"Watch out for Mr. Conrad Williams. In a world of impuissant poseurs who can't prick the thinnest skin when they pick up a pen, he's a sick and dangerous bastard who wields a nasty weapon with his words."

—Paula Guran, *The Year's Best Dark Fantasy & Horror*

## **Use Once Then Destroy:**

**Use Once, Then Destroy** Conrad Williams, 2015-05-19 The first collection of stories from acclaimed horror writer Conrad Williams. In a Venice shackled by winter a serial killer is removing victims hands. While on holiday in the Fens of East Anglia a woman at the end of her tether finds a terrible release. A man haunted by graffiti finds that the road to discovering the perpetrator leads to death and worse. A husband trying to comfort his terminally ill wife seeks help in a forbidden zone from his childhood where blood is the price of perfection. Use Once Then Destroy selects award winning writer Conrad Williams's finest short fiction published between 1993 and 2002 with an additional three stories original to this collection. Within these pages you will also find the International Horror Guild and British Fantasy Society award nominated novella Nearly People in which a woman's search for food in a nightmarish city brings her attention from an enigmatic man known as The Dancer and leads her to a host of terrible epiphanies. This spellbinding compilation offers the kind of unsettling horrors that drift into your consciousness and envelop you in an ethereal atmosphere of unease. There are no easy answers to the questions raised in these stories which explore the scarred outposts of desperation and desire, sickness and death, sex and decay. One thing is certain Use Once Then Destroy will stay with you long after you've stopped reading. Skyhorse Publishing under our Night Shade and Talos imprints is proud to publish a broad range of titles for readers interested in science fiction, space opera, time travel, hard SF, alien invasion, near future dystopia, fantasy, grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history, and horror, zombies, vampires, and the occult and supernatural and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award winner, we are committed to publishing quality books from a diverse group of authors.

**Use Once, Then Destroy** Conrad Williams, 2004-05 This spellbinding collection of British Fantasy Society Award nominated author Conrad Williams' best stories from the last decade offers the kind of horrors that move subtly like pain or love or regret. They are stories that explore the scarred outposts of desperation and desire, sickness and death, sex and decay.

**Psychomania** Stephen Jones, 2014-03-04 When journalist Robert Stanhope arrives at the Crowsmoor asylum for the criminally insane to interview the institute's enigmatic director Dr Lionel Parrish, little does he realize that an apparently simple series of tests will lead him into a terrifying world of murder and insanity. In this chilling new anthology compiled by multiple award winning editor Stephen Jones, some of the biggest and brightest names in horror and crime fiction come together to bring you twisted tales of psychos, schizoids, and serial killers with occasional supernatural twists. Reggie Oliver revives Edgar Allan Poe's wily French detective C Auguste Dupin, and there is a new story from the popular British mystery series Bryant May by Christopher Fowler. Internationally best selling author Michael Marshall also contributes to this collection with the return of The Straw Men conspiracy. An original wraparound sequence in the style of John Llewellyn Probert sets the tone for this dark collection of stories, as well as a hitherto unpublished introduction by Robert Bloch, author of Psycho, and the inspiration for

Alfred Hitchcock's famous film *Skyhorse* Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

*A Brief History of Seven Killings* (Booker Prize Winner) Marlon James, 2014-10-02 Winner of the Booker Prize One of the New York Times's 100 Best Books of the 21st Century One of Entertainment Weekly's Top 10 Books of the Decade One of The Atlantic's Great American Novels of the Past 100 Years A thrilling ambitious intense Los Angeles Times novel that explores the attempted assassination of Bob Marley in the late 1970s from the author of *Black Leopard Red Wolf* In *A Brief History of Seven Killings* Marlon James combines brilliant storytelling with his unrivaled skills of characterization and meticulous eye for detail to forge an enthralling novel of dazzling ambition and scope On December 3 1976 just before the Jamaican general election and two days before Bob Marley was to play the Smile Jamaica Concert to ease political tensions in Kingston seven gunmen stormed the singer's house machine guns blazing The attack wounded Marley his wife and his manager and injured several others Little was officially released about the gunmen but much has been whispered gossiped and sung about in the streets of West Kingston Rumors abound regarding the assassins' fates and there are suspicions that the attack was politically motivated *A Brief History of Seven Killings* delves deep into that dangerous and unstable time in Jamaica's history and beyond James deftly chronicles the lives of a host of unforgettable characters gunmen drug dealers one night stands CIA agents even ghosts over the course of thirty years as they roam the streets of 1970s Kingston dominate the crack houses of 1980s New York and ultimately reemerge into the radically altered Jamaica of the 1990s Along the way they learn that evil does indeed cast long shadows that justice and retribution are inextricably linked and that no one can truly escape his fate Gripping and inventive shocking and irresistible *A Brief History of Seven Killings* is a mesmerizing modern classic of power mystery and insight

**One** Conrad Williams, 2009-04-02 This is the United Kingdom but it's no country you know No place you ever want to see even in the howling shuttered madness of your worst dreams You survived One man You walk because you have to You have no choice At the end of this molten road running along the spine of a burned battered country your little boy is either alive or dead You have to know You have to find an end to it all One hope The sky crawls with venomous cloud and burning red rain The land is a scorched sprawl of rubble and corpses Rats have risen from the depths to gorge on the carrion A glittering dust coats everything and it hides a terrible secret New horrors are taking root You walk on One chance

### **Use Once Then Destroy Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Use Once Then Destroy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Use Once Then Destroy has opened up a world of possibilities. Downloading Use Once Then Destroy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Use Once Then Destroy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Use Once Then Destroy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Use Once Then Destroy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Use Once Then Destroy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Use Once Then Destroy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
