Minesafe International 2000 ,2000 *Thinking Strategically* Susan Walter,Pat Choate,1984 **Strategic Foresight** Jan Oliver Schwarz,2023-07-03 Organisations today are being challenged to make sense of changes in environments that now more than ever are described as VUCA volatile uncertain complex and ambiguous They are also being driven to understand how the future will evolve and what impact it will have not only on the organisations themselves but also on industries and societies In recent decades a field has emerged to support organisations in addressing these challenges strategic foresight This book is a comprehensive introduction to strategic foresight It presents a history of the field and explains the main principles in thinking about the future The book describes how organisations can apply strategic foresight and explains how it relates to other fields such as strategy innovation and leadership highlighting the relevance of strategic foresight not only for organisations but also for individuals particularly managers and leaders Grounded in the theoretical foundations of strategic foresight the book reflects the latest academic research and explores practical applications in different contexts It draws on more than two decades of experience that the author has in the field as a researcher and as a consultant in the corporate context This is essential reading for managers and leaders of public and private organisations who want to establish strategic foresight practices as well as students of foresight

and managers in the fields of innovation research development and marketing Strategic Foresight Patricia Lustig, 2015-07-14 This is a practical field guide to foresight and foresight tools for leaders in business the public sector and NGOs to aid their practice in strategy decision making and change **What the Foresight** Alida Draudt, Julia Rose West, 2016-04-27 Designers futurists and innovators of all kind often apply the long view toward businesses and the world at large but how often do we apply this perspective to our personal lives Alida Draudt and Julia Rose West have taken the complex tools of foresight and distilled them to their simplest forms in order to tackle this challenge Together they have written a workbook that focuses on ten minute mini workshops around personal futures introducing not only foresight but the idea of multiple potential futures to the realm of the individual This workbook will give you a few tools to shift the long view from business oriented to highly personal Finally methodologies leveraged by leading strategic foresight practitioners have been made accessible If there is one thing to takeaway from What the Foresight it s this the future is for everyone In the book authors Alida Draudt and Julia West brilliantly break down the guiding principles of futures work in an easy to understand set of materials and activities that anyone can use to imagine their own futures Read this book The future is a cause worth fighting for Matthew Manos Founder and Managing Director of verynice Creator of Models of Impact author of Toward Preemptive Social Enterprise and author of How to Give Half of Your Work Away for Free What the Foresight is one of those rare feats it is well informed easy to understand and broadly applicable If you re looking to take that first step into futures thinking here s your road map Brian David Johnson Futurist and author of Science Fiction Prototyping Going through the exercises in What the Foresight helps you envision multiple possible futures and then choose the path that suits you best It s a imaginative and useful tool for anyone who wants to expand their options and explore more paths Christopher Ireland Co author of Rise of the DEO Foresight is an emerging skill that is becoming more visible and more common around the world that is among adults Young people are not yet included in the discussion of the future these days and it s their future more than ours Almost no schools teach students how to anticipate and influence change much less about the plausible futures that await them later in life Now Draudt and West have provided us with What the Foresight a clever beautifully designed approach to the future for young and old alike Thank you Peter C Bishop Ph D Executive Director of Teach the Future Inc and co author of Thinking About the Future **Research Foresight** Ben R. Martin, John Irvine, 1989 An examination of the modeling processes used in data analysis of the reserve component of the American military LC got this wrong Martin and Irvine are the authors not the editors Their study reviews the experience of eight leading industrial nations in identifying and exploiting research that is likely to yield economic and social benefits in the medium to long term They also propose a framework for making more effective use of research foresight in the policy process Distributed by Columbia U Press Annotation copyrighted by Book News Inc Portland OR *Daily Report* , 1995 Daily Report United States.
