The Torch And The Sword Final Quest:

The Torch and the Sword Rick Joyner, 2006-02 The Torch and The Sword continues the message begun in The Final Quest and continued in The Call It is a call to live the greatest adventure for the most noble purpose It is not for the faint of heart but for those who desire to live as true knights of the cross refusing to retreat before the great darkness of our times Stand with courage and resolution for truth righteousness and justice as messengers of the age to come Be one of those whom Enoch prophesied would come with power in the last days and who are now awakening to their destiny **The Final Quest Trilogy** Rick Joyner, 2016-12-01 What if a single revelation could change your destiny in a moment In this riveting bestselling series author Rick Joyner takes you on the supernatural journey that has captivated millions More real than an allegory The Final Quest Trilogy is a panoramic vision of the epic struggle between light and darkness and your part in it As the series unfolds you can join in the great battle encounter angels and demons apostles and prophets and the heavenly realm itself This trilogy is about the greatest adventure to serve the greatest King and to stand for His truth with courage a tale not for the timid but for the bold **The World on Fire** Rick Joyner, The Welsh Revival was arguably the greatest revival ever What happened in Wales so captivated the world that the front pages of virtually every major newspaper carried the story More than a history of the Welsh Revival The World on Fire is an excellent primer of the revivalist life that will build your faith for revival in your own time **The Lost Will and Testament of Jesus Christ** Raymond Broad, 2014-10-12 This book draws the reader into an incredible mine of truth about s Christian s heritages of true intimate fellowship with both their God and their fellow Christians The picture of choice of these incredible benefits is the text of the new covenant It will be shown that the almost universal ignorance about the new covenant is an accurate picture of the ignorance of its benefits in the average Christian life Concurrent with these revelations is the complete burial of the old covenant which has persistently clouded our view of the new This feature will be quite shocking to most readers but it will be shown to be necessary if any benefit is to be derived from the NC In return there are incredible blessings open to those who make this plunge which have been hidden for centuries Using Paul s analogy of a house plan the writer has built an outline of the Christian life and its hidden benefits never been seen before Herein lies hope and blessing and power as the early church understood it to be *The Left Behind Fantasy* William Powell Tuck, 2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and

authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense
