

The background of the book cover is a photograph of a woman with dark hair, wearing a pink shirt and a grey patterned sari, working on a large, complex textile machine. The machine has many vertical frames, each containing a large red bobbin. The woman is looking towards the camera. The overall scene is industrial and suggests a focus on labor and commodity production.

The Trade Trap Poverty And The Global Commodity Markets:

The Trade Trap Belinda Coote,1992 This work explores the extent to which developing countries are dependent upon primary commodities and the devastating impact that a sudden fall in prices on the international market can have on the lives of individual producers Other work by the author includes The Hunger Trap **Trade Trap: Poverty and the Global Commodity Markets** Belinda Coote,1996 This work explains how countries that depend on the export of primary commodities like coffee or cotton are caught in a trap the more they produce the lower the price falls on the international market **The Oxfam Poverty Report** Kevin Watkins,1995 Fifty years ago the United Nations Charter proclaimed universal rights to shared prosperity peace and security How far has that vision of world citizenship been realised Despite advances in human welfare and technology there is today a growing polarisation between rich and poor One in four of the world s people live in absolute poverty unable to meet their basic needs armed conflict is affecting millions of people and the global environment is under threat Yet there is a failure of political will to address the silent emergency of poverty The Oxfam Poverty Report draws on Oxfam s experience of working in over 70 countries to examine the causes of poverty and conflict It identifies the structural forces which deny people their basic rights and gives a wide range of examples of the ways in which men and women are bringing about positive change at every level from the household to the international arena Oxfam believes that it is time to renew the UN vision of universal basic rights The Report concludes by proposing policy and institutional reforms which would transform international institutions and trading relations and calls for a new commitment to work together to eradicate poverty and bring sustainable peace and security for all the world s people **Fair Trade and a Global Commodity** Peter Luetchford,2007-11-20 Fair trade is widely regarded as a universal good This fascinating anthropological study takes a closer look at a coffee growing community and cooperatives in Costa Rica and subjects the fair trade movement to critical scrutiny As with conventional coffee Western demand for organic fair trade produce is largely met by more affluent individuals with larger landholdings As a result it is caught up in the conflicts of interest and resentments that are part of the coffee industry as a whole Ultimately fair trade fails to escape divisions that characterise other forms of production and consumption All growers are united in their criticism of the high margins accumulated by regional and transnational processors and exporters Sustainability just rewards and social cohesion have formed part of the world view of these agricultural communities for decades This book shows how there is much common ground between the worlds of the commodity grower and the priorities of the fair trade movement if not necessarily always in the ways we might suppose Trade and Sustainable Development DIANE Publishing Company,1994-07 Markets, Fair Trade and the Kingdom of God Peter Johnson,Chris Sugden,2001 The Politics of Fair Trade Meera Warriar,2011-04-19 The Politics of Fair Trade will comprise chapters on relevant issues pertaining to fair trade written by experts in the field case studies of commodities involved in fair trade issues and an A Z of entries dealing with issues organizations disputes and relevant countries with

regard to fair trade Essays include Falling Foul of Fair Trade The Politics of Supply Chains The Politics of Fairer Trade Marketing Fairness Through Brands Branding Morality Certification as Governance Possibilities and Pitfalls Fair Trade A New Paradigm for Development Case studies include coffee chocolate handicrafts textiles rice A Z entries include Bananas Body Shop Ethical Sourcing Fairtrade Foundation Multifibre agreement Third World *The Great Deception* Mark Curtis,1998-04-20 An original and radically revised view of British and US foreign policy exposing the extent to which Anglo American interests have shaped and damaged the current world order **Poverty** Anne Boran,2010-03-17 Poverty Malaise of Development features papers from a conference held at the University of Chester exploring how poverty undermines development strategies This volume engages with three broad thematic areas theoretical discourses and policy implications vulnerability and poverty and solutions to poverty A Critical Introduction to Law Wade Mansell,Belinda Meteyard,Alan Thomson,2015-06-26 Challenging the usual introductions to the study of law A Critical Introduction to Law argues that law is inherently political and reflects the interests of the few even while presenting itself as neutral This fully revised and updated fourth edition provides contemporary examples to demonstrate the relevance of these arguments in the twenty first century The book includes an analysis of the common sense of law the use of anthropological examples to gain external perspectives of our use and understanding of law a consideration of central legal concepts such as order rules property dispute resolution legitimation and the rule of law an examination of the role of law in women s subordination and finally a critique of the effect of our understanding of law upon the wider world Clearly written and admirably suited to provoking discussions on the role of law in our contemporary world this book is ideal for undergraduate and postgraduate students reading law and will be of interest to those studying legal systems and skills courses jurisprudence courses and law and society
