Miller, 1998 This work uses the lens of the life of Saint Therese of Lisieux to focus on the coredemptive role all Christians are called upon to play by virtue of their baptism **The Trial of Faith in the Writings of St. Thérèse of Lisieux** Frederick L. Miller, 1991 The Trial of Faith in the Writings of Saint Therese of Lisieux Frederick Louis Miller, 1991 **The Prayers of Saint Therese of Lisieux: The Act of Oblation** St. Therese of Lisieux, 2013-09-19 Translated by Aletheia Kane OCD Complete collection of Th r se s independent prayers translated from the critical edition with 9 pages of photos For me wrote Th r se of Lisieux toward the end of her life prayer is an aspiration of the heart it is a simple glance directed to heaven it is a cry of gratitude and love in the midst of trial as well as joy finally it is something great supernatural which expands my soul and unites me to Jesus Besides the countless spontaneous prayers found throughout her autobiography letters poetry and plays St Th r se left behind 21 additional independent prayers from every period of her life here collected for the first time In this book we find prayers to the Infant Jesus and the Holy Face prayers to Mary and the saints prayers composed in joy and sorrow prayers written for her novices and missionary brothers All of them reflect the Saint s passionate love of God which she wished to share with friends near and far The highlight of this volume is the first critical text of Th r se s famous Offering to Merciful Love fully annotated Ample background materials explain the setting and significance of each prayer Scholars will find here essential new information for the study of the Saint s doctrine general readers will find this book an indispensable resource for learning to pray as Th r se did It is prayer it is sacrifice which give me all my strength these are the invincible weapons Jesus has given me They can touch souls much better than words Complete Spiritual Doctrine of St. Therese of Lisieux Fr. François Jamart, 2017-02-07 Over a century ago there lived a Carmelite nun Th r se of Lisieux Although she was young and seemed to have no authority she taught a Little Way very straight and short which would lead people to perfection Others had declared that sanctity was hard to attain but she said that it was easy Th r se maintained that in order to become holy it was not necessary to engage in manifold practices to perform rigorous penances or to receive extraordinary graces What was needed was simply that we acknowledge our nothingness and approach God with love and confidence Sanctity she proclaimed is an interior disposition which makes us humble and little in God s arms conscious of our weakness and trusting even to audacity in the goodness of our Father Th r se did not reveal new truths nor did she teach new means for attaining perfection Her doctrine was not a revelation of a new kind of sanctity but a new way of revealing sanctity to us What she teaches flows from the knowledge of God as He is revealed in the Gospel she invites us to return to evangelical simplicity The Church has endorsed her doctrine at the highest level in 1999 Pope John Paul II declared her a Doctor of the Church In the Complete Spiritual Doctrine of St Th r se of Lisieux he presents her teachings in their original beauty simplicity and practicality According to the judgment of the Carmelite nuns of Lisieux this work represents the pure doctrine of Th r se without

deviation Since this book first appeared in French in 1958 and in English in 1961 it has established itself as a classic Although many fine studies on St Th r se have appeared in more recent years the Complete Spiritual Doctrine of St Th r se of Lisieux is still an indispensable guide to the Little Way

St. Therese of Lisieux Spouse and Victim Cliff Ermatinger, 2011-11-09 On Christmas Eve 1886 a young girl Th r se Martin received special grace Although it was the littleness of the Christ Child that reached out to this girl and taught her to give up the defects of childhood the grace was by no means small Her long bout with scruples and empty fears was not completely over yet in her own words since that night I have never been defeated in any combat but rather walked from victory to victory Such was her experience of God s mercy

that she decided then and there to give her life to the mission of converting sinners This book by Cliff Ermatinger presents us with deep theological insights into the meaning of the seemingly simple life and journey of St Threse of Lisieux This little book treats of a love story that began on January 4 1873 the day of Therese s baptism On that day God began to court the soul of this little girl who would remain just that a little girl She would also learn to correspond with her baptismal grace thus maturing into a strong willed woman and ultimately into the faithful bride of her divine Spouse Her formal relationship with Christ and her new insertion into his life began fittingly on Christmas Also fittingly her relationship with him on earth ended on Calvary Tracing St Threse of Lisieux s life we discover that she begins with the life of grace going from child of God to child in the Son She then advances to a theological existence from theological existence to union and from union to its culmination in espousals with Christ the ordinary terminus of the spiritual life to which everyone is called Having arrived at such union with the divine Spouse Threse was next inducted into the victimhood of Christ The author then examines the relation between the type of victimhood St Threse experienced and the type of sin she was expiating atheism
