THE RISE AND FALL OF SOUTH-EAST ASIA

The Trouble With Tigers The Rise And Fall Of South East Asia

Frank Bartels, Nick Freeman

The Trouble With Tigers The Rise And Fall Of South East Asia:

The Trouble With Tigers: The Rise and Fall of South-East Asia Victor Mallet, 2011-10-10 This edition contains a limited number of illustrations The most frank readable and detailed account available in the English language of the political economic environmental and cultural changes sweeping through south east Asia *The Overseas Chinese of South East Asia* I. Rae, M. Witzel, 2008-01-17 The 60 million Chinese who live outside of China have long been an economic powerhouse in their own right Managing in South East Asia is not like managing anywhere else This book describes their communities and environments in which they work and emphasises the need for cultural understanding as a pre requisite for business success

Southeast Asia Christoph Antweiler, 2004 *Dictionary of the Modern Politics of Southeast Asia* Michael Leifer, 2013-05-13 This comprehensive Dictionary provides descriptive and analytical coverage of the turbulent political history and striking changes which have occurred both regionally and in key countries since the end of the Second World War Substantially rewritten to take into account the dramatic political events and developments since 1995 the third edition of this acclaimed Dictionary will provide non specialists and specialists alike with an essential resource on this constantly changing and volatile region Including new entries updated country profiles on Indonesia Malaysia and Cambodia and a revised reading list leading authority and commentator on this rapidly developing region Michael Leifer has brought this Dictionary fully up to date Changes in government the rise of new leaders and the knock on effect on economy and society are covered including the death of key figures such as Pol Pot and the rise of a new generation of leaders dramatic changes of government in Indonesia Thailand and the Philippines and elections in Malaysia Countries covered include Brunei Burma Myanmar Cambodia Kampuchea Indonesia Laos Malaysia the Philippines Singapore Thailand and Vietnam Key features include Individual entries provide detailed information and authoritative commentary on the central figures political parties and organizations political systems and structures major events and key documents For each state covered an extended narrative analyses its recent history and political and social development Extensive cross referencing and a subject index lead the reader to the vital material Subject bibliographies refer researchers to source and secondary matter **The Future of Foreign Investment in Southeast Asia** Frank Bartels, Nick Freeman, 2012-09-10 This book explains the dynamics behind southeast Asia's foreign investment activity and looks at the region's options for reviving its reputation as an attractive host for foreign investors Each chapter focuses on a key element together they portray southeast Asia's foreign investment profile and prospects By bringing these key interlocking elements together under a single cover the book aims to provide a more profound understanding of the challenges southeast Asian countries face in their on going attempts both to attract new foreign investment inflows and to continue hosting substantial existing foreign invested assets **Empires at War** Francis Pike, 2011-02-28 Asia with four billion people almost two thirds of the world's population a huge landmass and the fastest growing economies has in the past decade transformed the geopolitical global balance Empires at War gives a dramatic

narrative account of how this Modern Asia came into being Taking the bombing of Hiroshima on 6th August 1945 as its starting point Francis Pike chronicles the modern fortunes of fourteen Asian countries The iconic figures of post World War II Asia Mao Gandhi Nehru Ho Chi Minh Kim Il Sung General MacArthur and Lord Mountbatten figure prominently but so also do a great many lesser known but pivotal figures Francis Pike weaves the dramatic events and episodes of the region the great battles between American and Soviet backed forces in Korea and Vietnam but also episodes such as Indian Partition Japan s Lost Decade Indonesia s Year of Living Dangerously and Cambodia s Killing Fields into a coherent whole which forms the essential guide to the history of modern Asia **Regionalism and Globalism in Southeast Asia E.**

Palmujoki,2001-10-25 Eero Palmujoki examines the regionalist debate in Southeast Asia from the end of the Cold War up to the beginning of the new millennium He focuses on the organization of the ASEAN Association of Southeast Asian Nations and covers the political economic and security issues characterizing its development The book compares the theoretical debate with political developments in the region from the beginning of the post Cold War period with its rapid economic growth through the Asian economic crisis of 1997 and the resulting restructuring of Southeast Asian regional systems

Asian Godfathers Joe Studwell,2008-09-23 The author of *How Asia Works* follows the money Alarming enlightening Joe Studwell should be named chief myth buster for Asian business Financial Times Hong Kong and Southeast Asia are home to five hundred million people yet their economies are dominated by only fifty families whose interests range from banking to real estate shipping to sugar gambling to lumber At their peak eight of the world s two dozen richest men were Southeast Asian but their names would not be familiar to most regular readers of The Wall Street Journal A complex mythology surrounds these billionaires but in *Asian Godfathers* Joe Studwell finds that the facts are even more remarkable than the myths Studwell has spent fifteen years as a reporter in the region and he marshals his unprecedented sources to paint intimate and revealing portraits of the men who control Southeast Asia Studwell also provides us with a rich and deep understanding of the broader historic economic and political influences that have shaped Southeast Asia over the past 150 years *Asian Godfathers* is a riveting and illuminating book that lifts the curtain on a world of staggering secrecy and hypocrisy and reveals for the first time who the leaders of one of the planet s most important and tumultuous markets really are why they got to the top and how they keep themselves there The romp around the region s pleasure domes is a blast The Wall Street Journal Asia

The ASEAN Intergovernmental Commission on Human Rights Hsien-Li Tan,2011-07-07 This assessment of progress in Southeast Asia on human rights begins in the wake of the Asian values debate and culminates in the formal regional institutionalisation of the ASEAN Intergovernmental Commission on Human Rights AICHR Chapters examine the arduous negotiation of AICHR the evolving relationship between ASEAN states and the international human rights system and the historical and experiential reasons for hesitancy The text concludes with a discussion of how the evolving right to development impacts upon AICHR and international human rights in general and how their preference for

economic social and development rights could help ASEAN states shape the debate **Routledge Handbook of Southeast Asian Democratization** William Case, 2015-04-24 Southeast Asia an economically dynamic and strategically vital region seemed until recently to be transiting to more democratic politics This progress has suddenly stalled or even gone into reverse requiring that analysts seriously rethink their expectations and theorizing The Routledge Handbook of Southeast Asian Democratization provides the first book length account of the reasons for democracy s declining fortunes in the region today Combining theory and case studies it is structured in four major sections Stunted Trajectories and Unhelpful Milieus Wavering Social Forces Uncertain Institutions Country cases and democratic guises This interdisciplinary reference work addresses topics including the impact of belief systems historical records regional and global contexts civil society ethnicity women Islam and social media The performance of political institutions is also assessed and the volume offers a series of in depth case studies evaluating the country records of particular democratic hybrid and authoritarian regimes from a democratization perspective Bringing together nearly 30 key international experts in the field this cutting edge Handbook offers a comprehensive and fresh investigation into democracy in the region This timely survey will be essential reading for scholars and students of Democratization and Asian Politics as well as policymakers concerned with democracy s setbacks in Southeast Asia and the implications for the region s citizens
