The Nation ,1897 America's Pastor Grant Wacker,2014-11-07 Examines the life of Billy Graham and how he impacted American culture by successfully tapping into broader cultural trends Recording for the Blind & Dyslexic, ... Catalog of Books ,1996 **Economic Justice, Labor and Community Practice** Louise Simmons,Scott Harding,2013-09-13 Facing economic upheaval and growing inequality people in local communities are fighting for economic justice Coalitions from labor grassroots community organizations the faith community immigrant communities and other progressive forces are emerging across the U S and Canada and winning better jobs benefits from local development and better working conditions A multi disciplinary group of scholars and activists provide background and analysis of these struggles and offer insights into successful community practice From the vantage points of community organizing labor studies political science urban studies social policy and active practitioners this volume presents both background on the problem of economic and social inequality and portrays cases of how community practice is being redefined how unions are pursuing their goals via labor community coalitions and the issues confronted as these new and vital alliances form Community practitioners from social work urban planning active union members and leaders labor educators and those in the partnerships they have formed all will find useful insights from these analyses This book was published as a special issue of the Journal of Community Practice 2000, *Bringing Sociology to International Relations* Mathias Albert,Barry Buzan,Michael Zürn,2013-10-03 This book provides an innovative analysis using sociological theory to examine world politics as a differentiated social realm **The Madisonian Constitution** George Thomas,2008-08-01 Today we think of constitutional questions as being settled by the Supreme Court But that is not always the case nor is it what the framers intended in constructing the three branch federal government This volume examines four crucial moments in the United States political history the Civil War and Reconstruction the Progressive Era Franklin Delano Roosevelt s presidency and the New Deal and the Reagan revolution to illustrate the Madisonian view that the present rise of judicial supremacy actually runs counter to the Constitution as established at the nation s founding George Thomas opens by discussing how the Constitution encourages an antagonistic approach to settling disputes thereby preserving itself as the nation s fundamental law rather than ceding that role to the president Congress or Supreme Court In considering the four historical case studies he focuses on judicial interpretations and the political branches responses to them to demonstrate that competing conceptions of constitutional authority and meaning as well as intergovernmental disputes themselves rather than any specific outcome strengthen the nature of the nation s founding document as a political instrument Engagingly written and soundly argued this study clarifies and highlights the political origins of the nation s foundational document and argues that American constitutionalism is primarily about countervailing power not legal limits enforced by courts *Christian Nation* ,1909 *The Art of Retreat* Laurel V. Hankins,2025-05-13 The political and cultural fantasy of home as a retreat from the pressures of the world first

emerged in the U S alongside two major nineteenth century literary movements Romanticism and domestic fiction Upending accepted gendered narratives from this period *The Art of Retreat* posits that these movements originated from a domestic culture already in transition in which home was frequently a more complicated site of self interested pleasure coerced labor creole social reproduction homosocial intimacy bachelor whimsy petty tyranny racial abuse and transgender capacity The early national periodicals sketches and novels examined here lend themselves to this interpretation Hankins argues that the literary tradition emerging from these decades one that aligned creative genius with domestic retreat reminds us that a politics that appeals to private feeling must reckon with new interpretations of labor kinship and reform in exchange for the promise of consensual citizenship Published by Bucknell University Press Distributed worldwide by Rutgers University Press

A People's History of the Civil War David Williams, 2011-05-10 Does for the Civil War period what Howard Zinn's *A People's History of the United States* did for the study of American history in general Library Journal Historian David Williams has written the first account of the American Civil War as viewed through the eyes of ordinary people foot soldiers slaves women prisoners of war draft resisters Native Americans and others Richly illustrated with little known anecdotes and firsthand testimony this path breaking narrative moves beyond presidents and generals to tell a new and powerful story about America's most destructive conflict *A People's History of the Civil War* is a readable social history that sheds fascinating light on this crucial period In so doing it recovers the long overlooked perspectives and forgotten voices of one of the defining chapters of American history Publishers Weekly Meticulously researched and persuasively argued *The Atlanta Journal Constitution*

The Unfinished Nation 7th Edition Free: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. The Unfinished Nation 7th Edition Free : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Unfinished Nation 7th Edition Free : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
