The Ten Thousand Things A Novel:

The Ten Thousand Things Maria Dermout, 2014-11-25 Set between Holland and a remote Indonesian island this intimate magical realism novel offers an offbeat narrative that has the timeless tone of a legend Time Dermout's sentences came at me like a soft knowing dagger depicting a far off land that felt to me like the blood of all the places I used to love Cheryl Strayed author of *Wild* The *Ten Thousand Things* is at once novel of shimmering strangeness and familiarity It is the story of Felicia who returns with her baby son from Holland to the Spice Islands of Indonesia to the house and garden that were her birthplace over which her powerful grandmother still presides There Felicia finds herself wedded to an uncanny and dangerous world full of mystery and violence where objects tell tales the dead come and go and the past is as potent as the present First published in Holland in 1955 Maria Dermout's novel was immediately recognized as a magical work like nothing else Dutch or European literature had seen before The *Ten Thousand Things* is an entranced vision of a far off place that is as convincingly real and intimate as it is exotic a book that is at once a lament and an ecstatic ode to nature and life

The Ten Thousand Things Maria Dermout, 1967 **Ten Thousand Things** John Spurling, 2015-02 Though he wonders about his own complicity with this regime the Mongols after all are invaders he prefers not to dwell on his official duties choosing instead to live the life of the mind Wang is an extraordinarily gifted artist His paintings are at once delicate and confident in them one can see the wind blowing through the trees the water rushing through rocky valleys the infinite expanse of China's natural beauty But this is not a time for sitting still and as *The Ten Thousand Things* unfolds we follow Wang as he travels through an empire in turmoil In his wanderings he encounters among many memorable characters other master painters of the period including the austere eccentric Ni Zan a fierce female warrior known as the White Tigress who will recruit him as a military strategist and an ugly young Buddhist monk who rises from beggary to extraordinary heights The *Ten Thousand Things* is rich with exquisite observations and John Spurling endows every description every detail with the precision and depth that the real life Wang Meng brought to his painting But it is also a novel of fated meetings grand battles and riveting drama and in its seamless fusion of the epic and the intimate it achieves a truly singular beauty A novel that deserves to be compared to the classic Chinese novels that inspired it The *Ten Thousand Things* is nothing short of a literary event

Among the Ten Thousand Things Julia Pierpont, 2015-07-07 NEW YORK TIMES BESTSELLER NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE AND THE HUFFINGTON POST Features an exclusive conversation between Julia Pierpont and Lena Dunham For fans of Jennifer Egan Jonathan Franzen Lorrie Moore and Curtis Sittenfeld *Among the Ten Thousand Things* is a dazzling first novel a portrait of an American family on the cusp of irrevocable change and a startlingly original story of love and time lost Jack Shanley is a well known New York artist charming and vain who doesn't mean to plunge his family into crisis His wife Deb gladly left behind a difficult career as a dancer to raise the two children she adores In the ensuing years she has mostly avoided coming face to face with the

weaknesses of the man she married But then an anonymously sent package arrives in the mail a cardboard box containing sheaves of printed emails chronicling Jack's secret life The package is addressed to Deb but it's delivered into the wrong hands her children's With this vertiginous opening begins a debut that is by turns funny wise and indescribably moving As the Shanleys spin apart into separate orbits leaving New York in an attempt to regain their bearings fifteen year old Simon feels the allure of adult freedoms for the first time while eleven year old Kay wanders precariously into a grown up world she can't possibly understand Writing with extraordinary precision humor and beauty Julia Pierpont has crafted a timeless hugely enjoyable novel about the bonds of family life their brittleness and their resilience Praise for *Among the Ten Thousand Things* A luscious smart summer novel by a blazingly talented young author The New York Times Book Review This book is one of the funniest and most emotionally honest I've read in a long time Jonathan Safran Foer Obsessively compelling emotionally sophisticated *Among the Ten Thousand Things* rises above other novels for its imagined structure sentence by sentence punch and pure humanity Vanity Fair Gripping Pierpont brings this family of four to life in sharply observed detail An acute observer of social comedy Ms Pierpont has a keen eye for the absurd The Wall Street Journal Pierpont's language is heart stopping Between Pierpont's literary finesse and her captivating characters *Among the Ten Thousand Things* reads like a page turner Entertainment Weekly grade A A twisty gripping story that packs an emotional wallop O The Oprah Magazine There are going to be as many ingenious twists and turns in this literary novel as there are in a top notch work of suspense like *Gone Girl* Maureen Corrigan NPR's Fresh Air Tender delicately perceptive Pierpont's voice is wry and confident and she is a fine anthropologist of New York life The Washington Post Pierpont displays a precocious gift for language and observation She captures the minutiae of loneliness that pushes us away from each other and sometimes brings us back San Francisco Chronicle

The Ten Thousand Things Glenn Martin, 2011-03-01 Glenn Martin's first novel tells the story of a man's journey towards leadership a story that takes us into the heart of the I Ching and its universal values A man comes to a leadership position after a series of life shaping experiences He brings with him as a companion the I Ching the ancient Chinese book of changes He faces an immediate crisis when the president is arrested for embezzling all the funds but he brings the organisation back from collapse building it up even as he learns how to be a good leader and manager However enemies arrive with a destructive agenda and it suddenly seems as if he and everything he has built up will be destroyed In the midst of it all the I Ching offers its wisdom and calls him to be his best self So he strives to lead effectively and ethically and find the joy that lies at the heart of all things And along the way there is love

The Nutmeg's Curse Amitav Ghosh, 2021-10-14 The author of The Great Derangement finds the origins of our climate crisis in Western colonialism's violent exploitation of human life and the environment A powerful work of history essay testimony and polemic Amitav Ghosh's new book traces our contemporary planetary crisis back to the discovery of the New World and the sea route to the Indian Ocean The Nutmeg's Curse argues that the dynamics of climate change today are rooted in a centuries old geopolitical order constructed by Western colonialism At the center of Ghosh's narrative is the now ubiquitous spice nutmeg The history of the nutmeg is one of conquest and exploitation of both human life and the natural environment In Ghosh's hands the story of the nutmeg becomes a parable for our environmental crisis revealing the ways human history has always been entangled with earthly materials such as spices tea sugarcane opium and fossil fuels Our crisis he shows is ultimately the result of a mechanistic view of the earth where nature exists only as a resource for humans to use for our own ends rather than a force of its own full of agency and meaning Writing against the backdrop of the global pandemic and the Black Lives Matter protests Ghosh frames these historical stories in a way that connects our shared colonial histories with the deep inequality we see around us today By interweaving discussions on everything from the global history of the oil trade to the migrant crisis and the animist spirituality of Indigenous communities around the world The Nutmeg's Curse offers a sharp critique of Western society and speaks to the profoundly remarkable ways in which human history is shaped by non human forces
