Paul Stevens,2016 Academy of Parish Clergy s Top Ten Books for Parish Ministry Vocational discernment says R Paul Stevens is a lifelong process one that takes on even more significance in later life In this book Stevens argues that our calling does not end with formal retirement to the contrary we do well to keep on working if possible till life s end Stevens delves into matters of calling spirituality and legacy in retirement showing that we must continue to discern our vocation as we grow older in order to remain meaningfully engaged for the rest of our lives He reframes retirement as a time of continued calling and productivity and points to biblical wisdom that can help us redefine aging as an extraordinarily fruitful season of life

Rooted Leadership John Johnson,2022-06-14 Behind many of the challenges facing us today is a failure of leadership This is not a new problem Yearning for wise guidance and effective authority is a perennial human longing We need leaders who are credible competent and committed But many leaders seem to be caught up even consumed with their own power and agendas Some see the leadership crisis as an intellectual problem believing we lack a clear theory of leadership Others view the breakdown of leadership as a result of increasing deficiency in moral character Most leadership books today revolve around the concepts of motivation inspiration empowerment and teamwork Helpful as these themes might be they miss something more fundamental Leadership needs a theological foundation that will be useful for shaping the undergirding principles and evaluating current leadership theories and practices We need to view leadership from the vantage point of God In Rooted Leadership John E Johnson explores how Christian theology provides an overarching leadership framework and applies that theory to leadership practices Spiritual reflection guided by scripture points us to the very center of leadership God and the purpose of leadership that we might display his glory All the best forms of leading take their cues

from who God is his purposes and his ways of working with people that he has progressively revealed Building on three decades of research study and experience as a global leader Johnson surveys the landscape of contemporary leadership theory unpacks the assumptions and beliefs that underly current trends and responds by offering a robust approach to leadership founded on the character work and words of God Ministering Forward Rainer Mittelstaedt,2017-06-20 Do you want to have a part in helping tomorrow s Christian leaders fulfill their destiny Have you been asked to be a mentor but did not know where to begin Does it excite you to see someone you have encouraged advance to a new level Ministering Forward will help you to understand how you can be a guide and encourager to those who want to tap into your experience as you transfer faith and ministry to the next generation You will learn how to be purposeful and intentional in a mentoring relationship that allows the learner to determine their own mentoring agenda while you nudge them towards self awareness and guide them along critical growth pathways You will discover how to forge a mentoring agreement that keeps the relationship on track as well as identify mentoring activities you can pursue This book will leave you with no doubt about how you can fit into a mentoring role The Reciprocating Self Jack O. Balswick,Pamela Ebstyne King,Kevin S. Reimer,2016-07-05 On the basis of a theologically grounded understanding of the nature of persons and the self Jack O Balswick Pamela Ebstyne King and Kevin S Reimer present a model of human development that ranges across all of life s stages This revised second edition engages new research from evolutionary psychology developmental neuroscience and positive psychology Retiring Retirement Rodney Macready,2022-05-03 In Retiring Retirement Rodney Macready doesn t believe retirement is a biblical concept especially the way it s practiced in today s Western culture with a sense of entitlement His aim is to challenge readers to think about retirement and what the Bible has to say in relation to it He encourages retirees to continue to be productive and contribute to the Kingdom and challenges us to evaluate our current concept of retirement by exploring what the Bible says about it Military Construction Appropriations for 2005: Overview, quality of life United States.
