The GPT Salesperson: How to Use ChatGPT Prompts to Sell More and Make Money, With or Without Technology in the Company Reginaldo Osnildo, Welcome to The GPT Salesperson How to Use ChatGPT Prompts to Sell More and Make Money With or Without Technology in the Company If you re here you ve probably noticed that the world of sales is changing rapidly Today with the growing popularity of artificial intelligence AI new tools are emerging all the time promising to transform the way companies and professionals connect with their customers Among these innovations ChatGPT stands out as one of the most accessible and powerful technologies available to any salesperson who wants to increase their productivity and of course their results The goal of this book is simple to show you the sales professional how to use ChatGPT to sell more even if

the company you work for doesn't offer technological support or advanced automation systems. With the strategic use of prompts which are commands or instructions provided to ChatGPT to generate useful and personalized responses you can transform this tool into a true digital sales partner capable of assisting in all stages of the sales process. WHY IS THIS BOOK IMPORTANT NOW? Digital transformation in sales is no longer a distant trend; it's a present reality. Companies across all industries are already using artificial intelligence to improve efficiency and personalization in customer service. However, many salespeople still don't know how to leverage these tools to boost their results. This book aims to fill that gap by empowering you to use ChatGPT to create a competitive advantage regardless of the technology support your company offers. The content presented here is not just theoretical; it is the result of tested practices and strategies developed by salespeople who are already using ChatGPT to boost their sales. Throughout the chapters you will find specific techniques for using prompts efficiently and practical examples that show how to apply the knowledge in real sales scenarios. Whether you are an independent salesperson, a sales representative within a large company, or someone who is just starting out in the business, the information presented in this book will be valuable to improve your sales approach and achieve better results. By the end of this book, our goal is for you to be able to treat ChatGPT not just as a tool but as a true sales partner. With the right prompts and a strategic approach, you can turn AI into an extension of your business, capable of performing support tasks, providing valuable insights, and even helping you close sales. Regardless of your level of sales experience or the industry you work in, this book is designed to provide practical, actionable learning. Artificial intelligence is already changing the sales game, and those who master tools like ChatGPT will be better positioned to seize the opportunities this new digital age offers. The future of sales is here, and it starts with you. Yours sincerely, Reginaldo Osnildo. *Summary of Stephan Schiffman's The 25 Most Common Sales Mistakes and How to Avoid Them*.
