British Literature and Science John Holmes, Sharon Ruston, 2017-05-18 Tracing the continuities and trends in the complex relationship between literature and science in the long nineteenth century this companion provides scholars with a comprehensive authoritative and up to date foundation for research in this field In intellectual material and social terms the transformation undergone by Western culture over the period was unprecedented Many of these changes were grounded in the growth of science Yet science was not a cultural monolith then any more than it is now and its development was shaped by competing world views To cover the full range of literary engagements with science in the nineteenth century this companion consists of twenty seven chapters by experts in the field which explore crucial social and intellectual contexts for

the interactions between literature and science how science affected different genres of writing and the importance of individual scientific disciplines and concepts within literary culture Each chapter has its own extensive bibliography The volume as a whole is rounded out with a synoptic introduction by the editors and an afterword by the eminent historian of nineteenth century science Bernard Lightman

The Shortest Way with Defoe Michael B. Prince, 2020-04-28 A scholarly and imaginative reconstruction of the voyage Daniel Defoe took from the pillory to literary immortality The Shortest Way with Defoe contends that Robinson Crusoe contains a secret satire written against one person that has gone undetected for 300 years By locating Defoe's nemesis and discovering what he represented and how Defoe fought him Michael Prince's book opens the way to a new account of Defoe's emergence as a novelist The book begins with Defoe's conviction for seditious libel for penning a pamphlet called The Shortest Way with the Dissenters 1702 A question of biography segues into questions of theology and intellectual history and of formal analysis these questions in turn require close attention to the early reception of Defoe's works especially by those who hated or suspected him Prince aims to recover the way of reading Defoe that his enemies considered accurate Thus the book rethinks the positions represented in Defoe's ambiguous alternation and mimicking of narrative and editorial voices in his tracts proto novels and novels By examining Defoe's early publications alongside Robinson Crusoe Prince shows that Defoe traveled through nonrealist nonhistorical genres on the way to discovering the form of prose fiction we now call the novel Moreover a climate or figure of extreme religious intolerance and political persecution required Defoe always to seek refuge in literary disguise And religious convictions aside Defoe's practice as a writer found him inhabiting forms known for their covert deism

Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Translunar Narrative In The Western Tradition : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Translunar Narrative In The Western Tradition : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
