The Tsarist Secret Police And Russian Society 1880 1917:

The Tsarist Secret Police and Russian Society, 1880-1917 Fredric S. Zuckerman, 1996-05 Karakozov in 1866 Russian political life became trapped within a vicious circle of political reaction growing disillusionment with the government and intensifying political dissent that increasingly manifested itself in acts of terrorism against Tsarist officials **The Tsarist Secret Police Abroad** F. Zuckerman, 2002-12-18 In 1883 the Russian police established the Foreign Agentura in Paris The bureau's brief to forewarn Tsardom of terrorist plans and if possible to defuse acts of terrorism against high personages by revolutionaries operating under European sanctuary As the revolutionary emigration expanded the Foreign Agentura reacted by spreading its tentacles across Europe and England With the help of their European colleagues the Tsar's agents tackled and drove back this terrorist force proving themselves invaluable in the evolution of political policing **Popular Theater and Society in Tsarist Russia** E. Anthony Swift, 2002-12-30 This is the most comprehensive study available of the popular theater that developed during the last decades of tsarist Russia Swift examines the origins and significance of the new people's theaters that were created for the lower classes in St Petersburg and Moscow between 1861 and 1917 His extensively researched study full of anecdotes from the theater world of the day shows how these people's theaters became a major arena in which the cultural contests of late imperial Russia were played out and how they contributed to the emergence of an urban consumer culture during this period of rapid social and political change Swift illuminates many aspects of the story of these popular theaters the cultural politics and aesthetic ambitions of theater directors and actors state censorship politics and their role in shaping the theatrical repertoire and the theater as a vehicle for social and political reform He looks at roots of the theaters discusses specific theaters and performances and explores in particular how popular audiences responded to the plays *Longman Companion to Imperial Russia, 1689-1917* David Longley, 2014-07-30 This is the first book of its kind to draw together information on the major events in Russian history from 1695 to 1917 covering the eventful period from the accession of Peter the Great to the fall of Nicholas II Not only is a vast amount of material on key events and topics brought together but the book also contains fascinating background material to convey the reality of life in the period *Conspirator* Helen Rappaport, 2010-02-23 Helen Rappaport's *Conspirator* is a vivid account of Vladimir I Lenin's years of exile in Europe showing that this often overlooked period shaped the life of one of the 20th century's most important figures In the years leading up to the Russian Revolution Lenin traveled between the capital cities of Europe developing a complex network of collaborators and co-conspirators that would play a significant role in the struggle to come Rappaport sheds a rare light onto Lenin's early life describing his relationship with his wife Nadezhda Krupskaya and his extraordinary and unexpected love affair with beautiful activist Inessa Armand In a riveting narrative *Conspirator* describes the courage and the comedy the setbacks schisms and disappointments the extreme persistence and the ruthless dedication that carried Lenin and his colleagues along the inexorable path to the Russian Revolution **Challenging Traditional Views of Russian History S.**

Wheatcroft,2002-08-21 This collection presents views on key aspects of Russian Soviet history such as the non Slavic sources of Russian statehood tsarist penal systems the pre evolutionary technological level the famine of 1931 3 patronage practices in Stalin s Russia and the fall of the Soviet Union **Pahlavi Iran and the Politics of Occidentalism** Zhand

Shakibi,2019-12-12 Zhand Shakibi presents a new interpretation of the political and social dynamics of the last decade of the Shah s rule that challenges the binary view of pro West Shah and anti West Ayatollah by drawing attention to the Pahlavi state s reaction to the intellectual and societal backlash against cultural and moral Occidentalism in its last decade Revising the dominant historiography of the Pahlavi ideological and discursive approach to the West this book draws attention to the changes in the attitude of the Shah the Empress and state intellectuals towards the position and imagery of the West in state conceptions of the authenticity of Iranian national culture and identity Drawing on a wide range of primary sources Shakibi presents the multi faceted relationship of the Pahlavi state to the West and the institutions that were created to manage this such as the Rastakhiz Party This study argues that the Pahlavi state having recognized this backlash attempted to limit the threat to its legitimacy by reformulating intellectual discourses of anti West Occidentalism and incorporating them into the ideology of the Rastakhiz Party In so doing it played a critical role in exacerbating societal sensitivities about the spread of Western influences **The Tsar's Armenians** Onur Önel,2017-05-30 In 1903 Tsar Nicholas II issued a decree allowing the confiscation of Armenian Church property marking the low point in relations between imperial Russia and its Armenian subjects Yet just over a decade later Russian Armenians were fully supportive of the Russian war effort Drawing on

previously untouched archival material and a range of secondary sources published in English French Russian and Turkish this is the first English language study of this drastic change in relations in the Caucasus Onur Onol explains how and why the shift took place by looking in detail at the imperial Russian authorities and their relationship with the three pillars of the Russian Armenian community the Armenian Church the Armenian bourgeoisie and the Armenian Revolutionary Federation Dashnaktsutiun Onol places the evolution within a context of wider political questions such as the Russian revolutionary movement Russia s nationalities question Tsarist fears of pan Islamism the path to World War I and the influence of key characters in Russian policy making from Pyotr Stolypin to Illarion Vorontsov Dashkov This book fills a conspicuous void in the extant historiography and will be of interest to scholars working on Russian Armenian and Ottoman history *Leading Policing in Europe* Caless, Bryn,Tong, Steve,2017-01-18 In this unique book the authors present for the first time information from over a hundred strategic police leaders in 22 countries about how they are selected for high office how they are held to account and what their views are on current and future challenges in policing Invisible Armies: An Epic History of Guerrilla Warfare from Ancient Times to the Present Max Boot,2013-01-15 As fitting for the 21st century as von Clausewitz s On War was in its own time Invisible Armies is a complete global history of guerrilla uprisings through the ages
