The Tweetable Pope A Spiritual Revolution In 140 Characters:

The Tweetable Pope Michael J. O'Loughlin, 2015-09-08 Boston Globe journalist and Catholic commentator Michael O'Loughlin opens a wonderful window into the heart and revolutionary mission of Pope Francis by examining his extensive and revelatory use of social media published to coincide with the pontiff's visit to the United States in September 2015 Michael O'Loughlin uses Pope Francis's almost daily tweets to his 21 million followers to explain why this pope has captured the world's imagination and to explore his strategy and vision for the Catholic Church Grouped by the Pope's most pressing concerns forgiveness mercy injustice poverty war joy the environment and more The Tweetable Pope uses Francis's pithy 140 character or fewer missives as a prism to view the biographical historical and spiritual context of his messages and how each is part of a larger vision O'Loughlin contends that these seemingly simple communications provide a direct line to the Pope's heart illuminating a peaceful loving and courageous visionary committed to restoring the church to the original Christian tenets of its founder Jesus Christ love mercy grace and compassion and reshaping it as a force for change to help the most needy A thoughtful and enlightening examination of how the pope is using this exciting and fascinating new medium to communicate directly to his flock The Tweetable Pope is an inspiring and moving testimony of how we too can be more centered on what matters most to God

Pope Francis as a Global Actor Alynna J. Lyon, Christine A. Gustafson, Paul Christopher Manuel, 2018-02-08 Pope Francis confuses many observers because his papacy does not fit neatly into any pre established classificatory schemes To gain a deeper appreciation of Francis's complicated papacy this volume proposes that an interdisciplinary approach fusing concepts derived from moral theology and the social sciences may properly situate Pope Francis as a global political entrepreneur The chapters in this volume ask what difference it makes that he is the first pope from Latin America how and why different countries in the world respond to him how his understanding of scripture informs his ideas on economic social and environmental policy and where politics meets theology under Francis In the end this volume seeks to provide a more robust understanding of the enigmatic papacy of Francis
