

THE TWILIGHT OF EQUALITY?

NEOLIBERALISM, CULTURAL POLITICS,
AND THE ATTACK ON DEMOCRACY

LISA DUGGAN

The Twilight Of Equality

Lisa Duggan

The Twilight Of Equality:

The Twilight of Equality? Lisa Duggan, 2012-04-03 By now we've all heard about the shocking redistribution of wealth that's occurred during the last thirty years and particularly during the last decade. But economic changes like this don't occur in a vacuum; they're always linked to politics. *The Twilight of Equality* searches out these links through an analysis of the politics of the 1990s, the decade when neoliberalism, free market economics, became gospel. After a brilliant historical examination of how racial and gender inequities were woven into the very theoretical underpinnings of the neoliberal model of the state, Duggan shows how these inequities play out today. In a series of political case studies, Duggan reveals how neoliberal goals have been pursued, demonstrating that progressive arguments that separate identity politics and economic policy, cultural politics and affairs of state, can only fail. Ultimately, *The Twilight of Equality* not only reveals how the highly successful rhetorical maneuvers of neoliberalism have functioned, but more importantly, it shows a way to revitalize and unify progressive politics in the U.S. today. *Queer Externalities* W. C. Harris, 2009-09-10 Provocative take on the negative effects of increasing queer visibility and assimilation on the lives of queer people and politics in the U.S.

In and Out of View Catha Paquette, Karen Kleinfelder, Christopher Miles, 2021-09-09 In and Out of View models an expansion in how censorship is discursively framed. Contributors from diverse backgrounds, including artists, art historians, museum specialists, and students, address controversial instances of art production and reception from the mid-20th century to the present in the Americas, Africa, Asia, Europe, and the Middle East. Their essays, interviews, and statements invite consideration of the shifting contexts, values, and needs through which artwork moves in and out of view. At issue are governmental restrictions and discursive effects, including erasure and distortion, resulting from institutional policies, canonical processes, and interpretive methods. Crucial considerations concerning death, violence, authoritarianism, neo-colonialism, global capitalism, labor, immigration, race, religion, sexuality, activism, social justice, disability, campus speech, and cultural destruction are highlighted. The anthology, a thought-provoking resource for students and scholars in art history, museum, and cultural studies, and creative practices, represents a timely and significant contribution to the literature on censorship.

Sexuality and Transsexuality Under the European Convention on Human Rights Damian A. Gonzalez Salzberg, 2019-02-07 This book undertakes a critical analysis of international human rights law through the lens of queer theory. It pursues two main aims: first, to make use of queer theory to illustrate that the field of human rights law is underpinned by several assumptions that determine a conception of the subject that is gendered and sexual in specific ways. This gives rise to multiple legal and social consequences, some of which challenge the very idea of universality of human rights. Second, the book proposes that human rights law can actually benefit from a better understanding of queer critiques, since queer insights can help it to overcome heteronormative beliefs currently held. In order to achieve these main aims, the book focuses on the case law of the European Court of Human Rights, the leading legal authority in the field of international human rights law. The use of queer theory as

the theoretical approach for these tasks serves to deconstruct several aspects of the Court's jurisprudence dealing with gender sexuality and kinship to later suggest potential paths to reconstruct such features in a queer er and more universal manner

The New Gay for Pay Julia Himberg, 2018-01-13 Television conveys powerful messages about sexual identities and popular shows such as Will how those practitioners operate within media conglomerates and perhaps most important how they contribute to commonsense ideas about sexuality

Beyond the Politics of the Closet Jonathan Bell, 2020-03-20 A collection of essays that demonstrate how LGBT people played critical roles in local state and national politics In the 1970s queer Americans demanded access not only to health and social services but also to mainstream Democratic and Republican Party politics The AIDS crisis of the 1980s made the battles for access to welfare health care and social services for HIV positive Americans many of them gay men a critically important story in the changing relationship between sexual minorities and the government The 1980s and 1990s marked a period in which religious right attacks on the civil rights of minorities including LGBT people offered opportunities for activists to create campaigns that could mobilize a base in mainstream politics and contribute to the gradual legitimization of sexual minorities in American society Beyond the Politics of the Closet features essays by historians whose work on LGBT history delves into the decades between the mid 1970s and the millennium a period in which the relationship between activist networks the state capitalism and political parties became infinitely more complicated Examining the crucial relationship between sexuality race and class the volume highlights the impact gay rights politics and activism have had on the wider American political landscape since the rights revolutions of the 1960s The three sections of Beyond the Politics of the Closet conceptualize LGBT politics both chronologically and thematically The first section highlights the ways in which the immediate post rights revolution period created new demands on the part of sexual minorities for social services especially in health care and housing The second examines the impact of the AIDS crisis on different aspects of national and local LGBT politics The last section considers how analyzing LGBT politics can reorient our understanding of the closet and illuminate the challenges for those seeking to integrate questions of sexual rights into broader political narratives whether of the left or the right Contributors Ian M Baldwin Katie Batza Jonathan Bell Julio Cap Jr Rachel Guberman Clayton Howard Kevin Mumford Dan Royles Timothy Stewart Winter

The War on Sex David M. Halperin, Trevor Hoppe, 2017-03-09 The past fifty years are conventionally understood to have witnessed an uninterrupted expansion of sexual rights and liberties in the United States This state of the art collection tells a different story while progress has been made in marriage equality reproductive rights access to birth control and other areas government and civil society are waging a war on stigmatized sex by means of law surveillance and social control The contributors document the history and operation of sex offender registries and the criminalization of HIV as well as highly punitive measures against sex work that do more to harm women than to combat human trafficking They reveal that sex crimes are punished more harshly than other crimes while new legal and administrative regulations drastically restrict who is

permitted to have sex By examining how the ever intensifying war on sex affects both privileged and marginalized communities the essays collected here show why sexual liberation is indispensable to social justice and human rights Contributors Alexis Agathocleous Elizabeth Bernstein J Wallace Borchert Mary Anne Case Owen Daniel McCarter Scott De Orio David M Halperin Amber Hollibaugh Trevor Hoppe Hans Tao Ming Huang Regina Kunzel Roger N Lancaster Judith Levine Laura Mansnerus Erica R Meiners R Noll Melissa Petro Carol Queen Penelope Saunders Sean Strub Maurice Tomlinson Gregory Tomso **Out** ,2006-02 Out is a fashion style celebrity and opinion magazine for the modern gay man

The Rainbow Ain't Never Been Enough Kaila Adia Story,2025-05-13 A queer Black feminist debunks the myth of rainbow solidarity repositioning Black and Latinx LGBTQ people at the forefront of queer pasts presents and futures Your favorite Black queer studies professor Kaila Adia Story says the rainbow ain't never been enough in this introduction to the current state of queer intersectionality or lack thereof Story argues that to be queer is to be political and the carefully glittered facade of solidarity in the pride movement veils dangerous neoliberal ideals of apolitical queer embodiment The rainbow as a symbol of communal solidarity is a hollow offering when cis white LGBTQ people are allowed to opt out of divesting from white supremacy misogyny and transphobia The Rainbow Ain't Never Been Enough fills a necessary gap in our understanding of how racism transphobia and antiblackness operate in liberal spaces Black feminist and queer theorist Kaila Adia Story blends analysis pop culture and her lived experiences to explore the silencing practices of mainstream queer culture She touches on cornerstone issues of the movement like the whitewashing of queer history and commodification of pride celebrations the appropriation of the Black and Latinx ball scene and culture the racialized and gendered violence inflicted upon Black trans women the exclusion of the lives and work of activists like Marsha P Johnson Sylvia Rivera Storm DeLarverie and CeCe McDonald from queer history the lack of remembrance and respect for the lives of the Black and Latinx queer and trans people who have always been on the frontlines of queer liberation Expanding beyond the classroom Story utilizes her expertise as a scholar of queer theory to offer readers a comprehensive understanding of how racism operates in these spaces and what we can do to create a more equitable future **Abolitionist Intimacies** Eithne Luibhéid,2025-04-18 In

Abolitionist Intimacies Eithne Luibhéid examines writings by and about queer and trans identified migrants and allies who contest pervasive US immigration practices and work toward a future without detention deportation and border controls Luibhéid shows how these migrants and activists confront such controls by mobilizing intimacies forging close connections in order to survive in the present From forms of kinship beyond the heterosexual nuclear family to networks of solidarity intimacies allow queer and trans migrants and allies to challenge the infrastructures that support the deportation state proposed pathways to citizenship for undocumented migrants marriage as a means for legalization traffic interactions as a pipeline to deportation and queer and trans migrant detention In the process activists and theorists have advanced new visions and configurations of possible intimacies that not only challenge deportation but also rework what immigration

control and citizenship could mean By focusing on these abolitionist efforts as well as the publicly available records on queer and trans deportees Luibh id highlights the new understandings that emerge when the experiences of queer and trans people are centered

The Twilight Of Equality Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Twilight Of Equality has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Twilight Of Equality has opened up a world of possibilities. Downloading The Twilight Of Equality provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Twilight Of Equality has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Twilight Of Equality. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Twilight Of Equality. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Twilight Of Equality, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Twilight Of Equality has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Twilight Of Equality Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Twilight Of Equality is one of the best book in our library for free trial. We provide copy of The Twilight Of Equality in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Twilight Of Equality. Where to download The Twilight Of Equality online for free? Are you looking for The Twilight Of Equality PDF?
