The Uninvited An Expose Of The Alien Abduction Phenomenon:

The Uninvited Nick Pope,1998 An eye opening look at the alien abduction phenomenon by the real life X files man and author of the best selling *Open Skies Closed Minds* From 1991 to 1994 Nick Pope investigated UFO sightings for the British government s Ministry of Defense He is the only person ever to have conducted official research into this controversial subject Pope is the real life version of Agent Fox Mulder from television s hit series *The X Files* In *The Uninvited* he provides an overview of UFO phenomenon supported by some of the most sensational cases ever reported Thousands of people throughout the world have claimed they have been abducted by aliens These people are ridiculed by the media by scientists by governments In spite of that ridicule they persist with their claims Nick Pope s research has convinced him that many of the individual experiences are not in the mind He has seen the proof that the phenomenon is real and more widespread than anyone has suspected he went in a skeptic and came out a believer *The Uninvited* is powerful stuff providing convincing evidence for human encounters with non human intelligence Roswell and Project Blue Book are just the beginning this expose delves deep into one of the last great mysteries of our time

The Uninvited Nick Pope,2015-02-18 Has the understated authority a reader would expect from the man who acted as the official investigator into UFO sightings for the British Ministry of Defence Lacking the hysteria of so many other books on the genre Pope s report takes the high road Publishers Weekly A good read and raises some thought provoking issues Focus Ministry of Defence in house magazine Former UK Government UFO investigator Nick Pope has written the definitive book on the alien abduction mystery delving into folklore the contactee movement and more modern claims that people have not just seen UFOs but encountered extraterrestrials *The Uninvited* also examines the reaction of governments and of the scientific community as well as examining the world s most famous alien contact cases and highlighting the common threads that bind them together Nick Pope devotes a significant portion of the book to detailing a number of cases that he investigated personally before drawing things together by discussing the various theories that might explain what lies behind this fascinating mystery *Captured by Aliens?* Nigel Watson,2020-05-22 New Hampshire couple Betty and Barney Hill provided Americans with what is essentially the original alien abduction story Since their story became public in the early 1960s many thousands of Americans have likewise come forward with similar stories of traumatic experiences Sometimes the abductee has little conscious recollection of these events but through nightmares dreams flashbacks and hypnosis they eventually learn more Sometimes the participants are bewildered To get a better understanding of the opposing viewpoints of skeptic and believer the Betty and Barney Hill case is used to examine the wider context of such encounters their historical origins media influences and the latest extraterrestrial psychological paranormal conspiracy and sociological theories that surround them **Out of Time** Steve Aspin,2023-08-24 In *Out of Time* The Intergenerational Abduction Program Explored author Steve Aspin has written a crossover work about the enduring worldwide reports of alien abduction The book is intended for both those

familiar with the historic published case material and the curious reader unfamiliar with the decades of serious academic research on this superficially improbable phenomenon The author details his lifelong personal experience and the relationships he built with leading researchers during 15 years of investigating this phenomenon He has at all times attempted to approach the subject with critical thoroughness and intellectual rigour From stumbling on a cattle mutilation in Ireland in 1970 to witnessing a UFO after a period of missing time at age 16 in 1972 to a confrontational experience in a Sardinia hotel in 2006 the author relates a lifetime of anomalous experiences But this is only the starting point of the journey the reader of Out of Time will make Steve then details several years of investigation into the subject and how what he has learned has shaped his thoughts on what is happening to perhaps millions of people worldwide He had the good fortune to meet with several leading researchers in the field including Budd Hopkins and Dr David Jacobs and read hundreds of published works on the subject of UFOs and abductions He has attempted to bring hard forensic evidence to the discussion and to follow that evidence where it may lead paying particular attention to the clearly intergenerational aspect of the global abduction program which he demonstrates with corroborating evidence almost certainly dates from the 1890s His conclusions will be of interest to anyone attentive to this field of study Whether inevitably proved right or wrong they stem from a conscious effort to bring objectivity and honesty to the analysis of this widely reported phenomenon Although successfully normalised in popular culture to become background noise or a minor comic footnote in otherwise busy lives this subject has real and serious implications for both the individual experiencer and human society collectively

Hidden Valley, Hidden Mind Eleanor Mannikka, 2011-04-01 In the latter half of the 1950s a series of unusual events that started with a UFO encounter continued with a near death experience and ended with unusual transformations of consciousness started me on a journey to Tibetan Buddhism Several decades passed before I began to suspect that the Tibetan legend of Shambhala might tie these disparate events together This book is the result

Light and Dark Dr Trevor J. Hawkeswood, 2013-01-31 Trevor J Hawkeswood is a scientist who has experienced hundreds of paranormal events in his lifetime In Light and Dark he recounts some of these incredible interactions He believes that reality occurs on two separate but interwoven planes of existencethe Earth plane and the multiple levels of the spiritual planes including the lower levels from where the dark souls of humans who have died reach out to us He has experienced more than one hundred sightings of the shadow people or black ghosts He credits guardian angels with saving him from harm or certain death on a number of occasions Hawkeswood also shares accounts of his numerous sightings of strange aerial phenomena he believes were caused by UFOs He has personally experienced clairaudiencevoices from beyondand precognition or the ability to see the future His detailed account of a unique out of body experience OOB challenges what is known about this remarkable ability His OOB was unlike anything that has ever been described by others who have experienced itand he shares it all in Light and Dark But it hasnt all been safe or pleasant At eighteen he survived a terrifying encounter with a demon gargoyle who tried to steal his

The UFO Files David Clarke,2013-03-30 What does all this stuff about flying saucers amount to What can it mean What is the truth Winston Churchill prime minister s personal minute 28th July 1952 The UFO Files tells the story of over 100 years of UFO sightings drawing on formerly secret government documents at the National Archives in London Alongside extraordinary reports by ordinary people it reveals details of official interest and investigations stretching back more than 80 years In this remarkable book fully updated for this second edition David Clarke reveals an array of startling stories from possible UFO reports hidden among Met Office investigations of aerial phenomena in the 1920s to the conclusions of Project Condign the secret British Intelligence UFO study completed in 2000 As well as covering Roswell and Britain s own Rendlesham Forest mystery Clarke raids the records for dramatic stories of abductions and close encounters ghost aircraft and crop circles and UFO reports by both civilian aircrew and military personnel Dramatic witness statements and interviews combine with rarely seen photographs drawings and newly available documents to offer a unique guide to one of our most intriguing mysteries

[Alien Worlds](#) Diana Tumminia,2007-05-17 This intriguing collection of essays presents reflections upon the birth proliferation enduring appeal and future of UFO mythology Highly respected authors and researchers representing the varied and sometimes competing perspectives of ufology and the sociology of religion provide a fascinating and instructive voyage into the exotic social worlds of UFOs abductees and contactees Reports of aliens and the changing nature of abduction experience especially in the sexual dimension are explored in relation to literature culture and ideology The influence of abduction therapy and support groups is considered as are new religious movements NRMs within the UFO community The book offers rich insights into psychology human behavior and religion melding issues of race politics and gender Finally it evaluates the existing dynamic of UFOS in the age of the Information Super Highway and ever increasing globalization Alien Worlds will enlighten anyone wanting to understand what and how the academic world thinks about UFOs UFO groups and UFO phenomena

Space, Life, Science and Stories Carl L. DeVito,2019-11-18 Some time ago an unusual book sold over seventy million copies and was translated into twenty eight languages It dealt with the possibility of life from the cosmos visiting humanity This was just one of many surges of public interest in this matter Unfortunately the scientific community rarely addresses the causes of these surges This leaves many confused not sure what to believe Indeed there are always those who try to exploit this confusion This book explores the causes of the surges the stories they generate and the relevant science It does not presuppose in depth knowledge on the part of the reader allowing them to become aware of the sciences behind these stories and to judge them for themselves
