You Can Do It How To Boost Your Childs Achievement In School:

You Can Do It Michael E. Bernard, 2009-11-29 From the founder of You Can Do It Education a program for promoting student social emotional wellbeing and achievement that is being used in thousands of schools a guide to supporting struggling students California State University professor and educational psychologist Michael Bernard shows parents how to help their children succeed in school to the very best of their abilities You Can Do It reveals the various types of underachieving students tells how to prevent problems before they start explains which parenting techniques work and which don't as well as what attitudes and motivational skills children need to learn You Can Do It! for Parents Michael Edwin Bernard, 1997 You Can Do It! Michael Edwin Bernard, 1997 *How to Motivate Your Child for School and Beyond* Andrew James Martin, Andrew Martin, 2003 Do you worry that your child has no interest in schoolwork Is your child reluctant to do homework Do you worry about your sons struggling at school while girls are enthusiastic achievers Do you want to help your child manage their study load better so they leave time for sporting activities and simple fun If you answered yes to any of these questions HOW TO MOTIVATE YOUR CHILD FOR SCHOOL AND BEYOND has all the answers and more A positive practical guide to helping children be the best they can be it offers achievable solutions for parents who want their children to do well at school and enjoy the process New research shows the difference between children who are enthusiastic achievers and those who struggle isn't simply the makeup of the child Packed with authoritative information and hands on strategies for parents and teachers HOW TO MOTIVATE YOUR CHILD is a must have for parents and professionals who work with families and children Andrew Martin won the prestigious American Psychological Association's international award for his innovative work on what makes children achieve and happy at school In this book he reveals the secrets that will stop arguments over homework and worries about your child's achievements at school and university forever *Improving Your Elementary School* Leslie Walker Wilson, 2013-09-27 Each of the chapters in this unique book was written expressly for each major stakeholder group in your school tailored to their varied needs and experiences Each chapter contains a set of inter related practical activities so that each group focuses on the same goals and supports the others No other book on school improvement includes a chapter written exclusively for elementary students printed in large type illustrated with cartoons and accompanied by step by step advice for educators on how to use this material **Pre-School Parenting Secrets** Brian Caswell, David Phu An Chiem, Kylie Bell, 2010 The creators of cutting edge learning strategies New Brain Software and Optimal Flow Method Brian Caswell and David Chiem have accumulated between them over 50 years of experience in the domains of education mind development the literary and performing arts and the creation of active learning programmes for children of all ages Book Jacket **Resilience Process and Its Personal and Social Bases** Chau Kiu Cheung, 2024-10-30 This book is to elucidate personal and social bases for personal resilience thus addressing the issue concerning the predominance of social factors in shaping resilience Essentially the book starts with a clarification of

resilience as a phenomenon rather than a trait The clarification also identifies the personal bases in terms of the resilience process which specifies belief about resilience as a precursor to learning about resilience action for resilience and resilience successively To justify the personal and social bases the book expounds the analytical functionalist framework to specify voluntaristic and deterministic mechanisms to perform the four requisite functions of goal attainment adaptation integration and latency Equipped with the conceptual and theoretical grounds the book proceeds to scrutinize the effects of personal and social factors on resilience and its process The personal factors include personal background characteristics personality functional disability and various beliefs whereas the social factors include experiences of caring peace violence and social exclusion in society kindness sociability and aid from other people and social capital The scrutiny engages five databases about 6 948 Chinese people in Hong Kong and neighboring Chinese cities composed of the public service users older adults students and people with visual impairment Overall the book presents ample theoretical and empirical substances to clarify the genesis of resilience

Resources in Education ,2001-10 *Study Skills 11+: Building the study skills needed for 11+ and pre-tests* Louise Martine,2017-10-26 This book covers everything you need to know in preparing children for both pre tests and 11 entrance exams for admission into independent and grammar schools It sets out ways in which children can become successful and confident learners over the years and months building up to these tests taken in Year 6 The author passionately believes that intelligence is not fixed but can be nurtured and grown with the right support The key to putting this into action is to understand how you learn and to master the strategies for learning retaining and recalling information effectively This book will help parents and teachers support children approach one of their first academic hurdles with confidence The book begins by looking at why revision is important and how the brain works It introduces the concept of growth mindset and how with the right support confidence resilience and independence can be nurtured It provides guidance on physical and mental wellbeing including a section on coping with stress It moves on to cover ideas on how to gain control of studying and how to develop good organisational skills Being healthy feeling stress free in control and excited about school is vital There is a comprehensive chapter study skills and how to master them from learning how to identify key words using flashcards to creating mindmaps Examples based on the 11 syllabus and questions or tasks to revise the skill are given throughout The book then focuses specifically on the skills needed for the 11 tests It offers wide ranging advice on each subject English Maths Verbal and Non Verbal reasoning how to prepare for online tests interviews and test day tips Current thinking and research by world renowned social psychologists psychologists and educators is at the heart of this book and are referenced Tips for parents supporting their children s learning journey are given throughout

Discipline That Connects With Your Child's Heart Jim Jackson,Lynne Jackson,2016-09-20 A Powerful Approach to Bringing God s Grace to Kids Did you know that the way we deal or don t deal with our kids misbehavior shapes their beliefs about themselves the world and God Therefore it s vital to connect with their hearts not just their minds amid the daily behavior battles With

warmth and grace Jim and Lynne Jackson founders of Connected Families offer four tried and true keys to handling any behavioral issues with love truth and authority You will learn practical ways to communicate messages of grace and truth how to discipline in a way that motivates your child and how to keep your relationship strong not antagonistic Discipline is more than just a short term attempt to modify your child s actions it s a long term investment to help them build faith wisdom and character for life When you discover a better path to discipline you ll find a more well behaved and well believed kid
