The Trestle At Pope Lick Creek:

The Trestle at Pope Lick Creek Naomi Wallace, 2000 High atop a railroad trestle that spans a bone dry creek two teenagers plan to race across the bridge against an oncoming locomotive At first their scheme adds excitement to life in a small factory town during the Great Depression then sensual experience awakens dangerous passions in an era of stifled ambitions With theatrical flourish and lyrical finesse Naomi Wallace delves into a world where people struggle to change lives that bear down upon them Naomi Wallace the thirty eight year old Kentucky playwright at work here received a MacArthur genius grant last week and TRESTLE AT POPE LICK CREEK her lovely strikingly poetic Depression era play certainly illustrates what makes her deserving the play sometimes seems like a blend of Ingmar Bergman and Horton Foote with Thornton Wilder on the side TRESTLE is set in 1936 in a town so dull that the only thing young people can pit themselves against the only thing greater than them is the 7 10 train with its 153 ton engine and deafening roar So we find Dalton and Pace who becomes his girlfriend despite his repeated insistence that she is not pretty making plans to test themselves by trying to outrun the train on a trestle a hundred feet above a dry creek bed Another boy from their town tried it recently and died By the end the play like that train has built up a full head of steam and we feel its power Anita Gates The New York Times TRESTLE is an often poignant nonlinear narrative coming of age story that s set in 1936 in a town outside a city somewhere in the United States TRESTLE is at once charming and haunting you ll view it with wonder along the way Sam Whitehead Time Out The honor for the most original and memorable work of this year s 22nd Humana Festival goes to another Kentuckian Naomi Wallace for her brilliant THE TRESTLE AT POPE LICK CREEK After the two act play ended with an erotic gender twisted climax there was a moment in the darkness when I thought This must be how it felt when people saw A STREETCAR NAMED DESIRE for the very first time Like Tennessee Williams s daring play Wallace s work introduces a new level of sexual honesty with a fresh mature voice TRESTLE wraps its five characters in a metaphorical drama within a romantic and tragic mystery It s a complicated interwoven play that moves back and forth in time between past and present with layers of meaning that overlap and build upon each other Despite its depth of symbolism and clear political message the play is neither stuffy nor strident A bright ripple of humor funs through Wallace s play about two sexually charged young people who consider a game of chicken with an oncoming train Wallace s keen psychological insights evoke compassion for her characters Tears are shed and not only over the pathos of the play The actors stir the emotions with the tender way they expose the fragility and indomitable beauty of the human spirit as revealed through Wallace s words If Wallace s plays were a visual art ONE FLEA SPARE would be a baroque oil painting while THE TRESTLE AT POPE LICK CREEK would be a 1930s American photograph with contrasting lights and shadows and its direct unsentimental and uncensored gaze into the lives of the working class Judith Egerton Courier Journal Louisville [The Trestle at Pope Lick Creek](#) Aaron J. Schmookler, 2009

War on the Human Konstantinos Blatanis, Theodora Tsimpouki, 2017-05-11 The essays in this collection explore the

question of the human both as a contested concept and as it relates to and functions within the wider global conjuncture The authors explore the theoretical underpinnings of the term human inviting the reader to reflect upon the contemporary human condition to identify opportunities and threats in the changes ahead and to determine what aspects of our species we should abandon or strive to maintain The volume approaches these ideas from a myriad of perspectives but the authors are united in their abstention from rejecting humanism outright or indeed fully endorsing posthumanism's teleological narrative of accelerated progress and perfectability Instead the authors argue that the term human itself is better understood as a concept perpetually undergoing revision and is necessarily subject to scrutiny The contributors here are thus concerned with investigating the following questions What does it mean to be human or to have a self What is the current place or status of the human in the contemporary world As technology is increasingly used to modify our bodies and minds to what extent should we alter and how can we improve our very understanding of human nature The authors contend that literature is the art form best placed to answer these questions In its dynamism and discursiveness literature has the capacity to both reflect dominant discourses and ideologies as well as to generate and even anticipate social change to critique and refine conventional ideas and existing cultural modes and to envision new possibilities for the future The human and its literary representation in other words are inherently intertwined

Audition Speeches for Young Actors 16+ Jean Marlow, 2013-10-18 Audition Speeches for 6-16 Year Olds offers a generous helping of carefully selected speeches that children can prepare for auditions Each speech is introduced with commentary to set the scene and help the young actor

Empathy as Dialogue in Theatre and Performance Lindsay B. Cummings, 2016-07-12 Empathy has provoked equal measures of excitement and controversy in recent years For some empathy is crucial to understanding others helping us bridge social and cultural differences For others empathy is nothing but a misguided assumption of access to the minds of others In this book Cummings argues that empathy comes in many forms some helpful to understanding others and some detrimental Tracing empathy's genealogy through aesthetic theory philosophy psychology and performance theory Cummings illustrates how theatre artists and scholars have often overlooked the dynamic potential of empathy by focusing on its more monologic forms in which spectators either project their point of view onto characters or passively identify with them This book therefore explores how empathy is most effective when it functions as a dialogue along with how theatre and performance can utilise the live emergent exchange between bodies in space to encourage more dynamic dialogic encounters between performers and audience

Tragedy in the Contemporary American Theatre Robert J. Andreach, 2014-07-16 This book refutes the claim that tragedy is no longer a vital and relevant part of contemporary American theatre Tragedy in the Contemporary American Theatre examines plays by multiple contemporary playwrights and compares them alongside the works of America's major twentieth century tragedians Eugene O'Neill Arthur Miller and Tennessee Williams The book argues that tragedy is not only present in contemporary American theatre but issues from an expectation fundamental to

American culture the pressure on characters to create themselves Tragedy in the Contemporary American Theatre concludes that tragedy is vital and relevant though not always in the Aristotelian model the standard for traditional evaluation **A PRINCIPLED PRACTICE** Amy Shoshana Blumberg, 2018 In this thesis I explore the ways in which my artistic political and personal values led me to propose Naomi Wallace's *THE TRESTLE AT POPE LICK CREEK* as my thesis in order to both reflect and enact what I believe in and also to respond to the dearth of those principles within the Theater Department I address how those same ethics subsequently informed every facet of my direction of and programming around the play Through the dual lenses of activating my values and my technical growth as a director I analyze the what and how of my work on *TRESTLE* the what being the artistic substance of what I was aiming to create and the how being my methods of engaging in the work Ultimately I assess the major takeaways from my experiences in Temple's MFA program in Theater Directing overall highlighting the major lessons I will take with me into my career **Unknown Creatures** Robert Benjamin, **Wiping My Mother's ***E** Iain Heggie, 2014-04-25 A caustic new comedy by one of Scotland's most important contemporary playwrights When Derek's girlfriend Kath decides to move in with him she follows the advice of her favourite chat show host and asks to meet his family Derek's mother is in a nursing home resentful of June the patient with no arms and legs who gets all the attention The only saving grace is her care assistant Larry a camp ageing clubber However what Derek and Kath don't know is that Larry holds the key to a few secrets that are perhaps best left in the closet Published to coincide with its premiere in July 2001 at the Traverse Theatre Edinburgh Cut cross dialogue crackles with life fast funny foulmouthed TES The dialogue cuts into paradox swagger and self defence as keenly as a surgeon's knife Observer **The Railroads of Kentucky During the 1940s & 1950s** Charles H. Bogart, 2018-07-24 Kentucky claims to be the birthplace of railroading west of the Appalachian Mountains In 1832 the Lexington Ohio Railroad L O began to build track from Lexington to Louisville Unfortunately the L O got no further than Frankfort on the Kentucky River when it ran out of money Railroad construction in Kentucky would stagnate until the 1850s when four companies started to build track three were north south and one east west An amalgamation of railroads using the name Kentucky Central would push south from Covington opposite Cincinnati OH toward Chattanooga TN but stalled at Nicholasville due to the Civil War The Louisville Nashville Railroad L N would build southward from Louisville for Nashville TN and Memphis TN reaching both cities as the Civil War started The Mobile Ohio Railroad M O during the same period completed a railroad from Mobile AL to Columbus KY on the Mississippi River The east west track reached from Louisville eastward to a junction at Frankfort KY
