Gener,Stephen T. Pardue,2019-07-31 Asian Christian Theology provides a survey of contextually reflective robustly evangelical theology for students to engage with the core doctrines of Christianity and their outworking in different cultures across Asia The contributors of the chapters come from all corners of Asia to systematically examine traditional doctrinal themes and contemporary concerns for the Asian church Ideal for use as a companion textbook in Asian seminaries and institutions this book will also provide excellent further reading for those outside of Asia seeking global theological perspectives and for those in contexts of significant Asian diaspora Many excellent books surveying theology exist but this book is a major step forward for students and scholars seeking to understand the dynamic environment of evangelical theology in Asia Martin Luther and Buddhism Paul S. Chung,2008-02-02 Martin Luther and Buddhism Aesthetics of Suffering carefully traces the historical and theological context of Luther s breakthrough in terms of articulating justification and justice in connection to the Word of God and divine suffering Chung critically and constructively engages in dialogue with Luther and with later interpreters of

Luther such as Barth and Moltmann placing the Reformer in dialogue not only with Asian spirituality and religions but also with emerging global theology of religions *Christianity with an Asian Face* Peter C. Phan, ,2015-02-19 **God at Work in the World** Lalsangkima Pachuau,2022-06-14 A leading scholar offers an up to date articulation of the theological grounding of the missionary endeavor Lalsangkima Kima Pachuau argues that theology of mission deals with God s work in and for the world which is centered on salvation in Christ through the power of the Holy Spirit Pachuau brings a global perspective to mission theology explains how theology of mission is related to theology as a discipline and recognizes recent critiques of missions offering a compelling response rooted in the very nature of God *Christ and the Tao* Heup Young Kim,2010-11-01 This volume is a collection of six essays that Dr Kim published in various journals over the past several years They represent the early period of Dr Kim s theological journey into Christian faith as a Korean Christian or more broadly an East Asian Christian These essays deal primarily with religio cultural themes related to my existential situation from the Preface *The Tao of Asian American Belonging* Hertig, Young Lee ,2019-08-29 This book expresses a quest for inclusion amid feminist womanist and mujerista discourses Hertig s yinist spirituality is a novel attempt to lift up the voices of female Asian American voices in Christian ecological theology She coined the term yinist in the 1990s to name the nameless Asian American feminism The term yin refers to the feminine energy of Taoism in contrast to the male yang This book will be a valuable resource for the academy churches and denominational leaders
