Vocal Score From Les Mis:

Boublil and Schönberg's Les Misérables Sarah Whitfield, 2018-07-17 One more dawn One more day One day more Did Les Misérables make you miserable Or did it inspire you When Sarah Whitfield was a teenager her Dad frequently embarrassed her with his love of this musical above all others So after he was diagnosed with late stage cancer Whitfield set out to find out why this musical meant so much to him and to its worldwide following In this new book she asked her Dad and 350 other people how they felt about this musical exploring people's personal connections with the show In the middle of some of the hardest moments in family life Whitfield explores how the musical might help us deal with some of our most difficult

experiences and give us hope for when tomorrow comes **Boublil and Schönberg** Margaret Vermette, 2006 Applause Books Two Frenchmen an idea and a blank piece of paper That's how it started Alain Boublil and Claude Michel Schönberg are the creators of the multi award winning and much loved musicals *Les Misérables* *Miss Saigon* *Martin Guerre* and now an exciting new work *The Pirate Queen* *Les Misérables* alone has been seen by over 53 million people *The Musical World of Boublil and Schönberg* is the first book to offer a comprehensive look behind the closed doors of these intensely private musical theatre giants Boublil and Schönberg take center stage and talk openly about their methods and the creative processes involved in writing the book the music and the lyrics Additional interviews from collaborators such as their co writers Herbert Kretzmer Richard Maltby Stephen Clark and John Dempsey their directors Trevor Nunn John Caird Nicholas Hytner Conall Morrison and Frank Galati the choreographer of *The Pirate Queen* Mark Dendy and their long time producer Cameron Mackintosh gives the reader a full view into their successful process Full color production photographs tell the story of each musical Visit www.musicalworldboublil-schonberg.com for more information **Music Theory Through**

Musical Theatre John Charles Franceschina, 2015 *Music Theory through Musical Theatre* takes a new and powerful approach to music theory Written specifically for students in music theatre programs it offers music theory by way of musical theatre Not a traditional music theory text *Music Theory through Musical Theatre* tackles the theoretical foundations of musical theatre and musical theatre literature with an emphasis on what students will need to master in preparation for a professional career as a performer Veteran music theatre musician John Franceschina brings his years of experience to bear in a book that offers musical theatre educators an important tool in equipping students with what is perhaps the most important element of being a performer the ability to understand the language of music in the larger dramatic context to which it contributes The book uses examples exclusively from music theater repertoire drawing from well known and more obscure shows and songs Musical sight reading is consistently at the forefront of the lessons teaching students to internalize notated music quickly and accurately a particularly necessary skill in a world where songs can be added between performances Franceschina consistently links the concepts of music theory and vocal coaching showing students how identifying the musical structure of and gestures within a piece leads to better use of their time with vocal coaches and

ultimately enables better dramatic choices Combining formal theory with practical exercises Music Theory through Musical Theatre will be a lifelong resource for students in musical theatre courses dog eared and shelved beside other professional resource volumes
