## **Yajnaseni The Story Of Draupadi:**

*Yajnaseni* Pratibhā Rāya, 1995 Pratibha Ray makes a determined effort for a portrayal of the epic character and brings to the surface the broader and deeper aspects of Draupadi's mind that lay submerged in the majestic sweep of the grand Mahabharata. The novel won her the Bharatiya Jnanpith's prestigious ninth Moortidevi Award in 1993. *An Alternative Reading of the Other in The Mahabharata* Seema Sinha, Kumar Sankar Bhattacharya, 2025-03-13 This book studies gender sexuality and representation in The Mahabharata. Drawing on Feminist theory, Queer theory and Deconstructivist theory, it revisits the epic as a saga of agency, empowerment and subversion and examines how it gives the gendered marginal the women and the queer a voice. The authors argue that in a fluid text like The Mahabharata there is ample scope for contradiction and conformation as well as conflict and resolution which gives the marginal an opportunity to document resistance. They analyse the stories of Draupadi, Kunti, Renuka, Ulupi and Hidimba within an anti-patriarchal, non-normative, post-modern theoretical framework. They also examine liminal figures like Shikhandi, Yuvanashwa, Sudyumna and Bhangashwan who are uniquely placed in conversation involving queer space, marginalization and resistance. An important addition to the study of Indian epics, this book will be indispensable for scholars and researchers of cultural studies, subaltern studies, Indian literature, English literature, gender studies, sexuality studies, queer studies, women's studies, exclusion studies and postcolonial studies.

**Resistance and Literature in a Global Context** Prakash Chandra Pradhan, 2025-02-24 The comprehensive volume delves into the discursive valences and contingencies of resistance. It examines key issues and situations within the complex power dynamics of various cultures, societies, nations and ethnicities. It explores the varying meanings of resistance in different contexts with analyses of select literary texts from various works of literature worldwide that range from Tribal writings in English and Nepalese literature to British literature and American literature. It evaluates various factors including structure, situation, context, culture, agency, place, motives, ideology and oppression within the discourse of resistance. It emphasizes the cultural relevance of the study of resistance across a range of fields such as postcolonialism, feminism, ecocriticism, gender relations and sexuality, myth and folklore, existentialism, cultural studies, rural feminism, trauma theory and violence, globalization, ethnicity and identity, child trafficking and third gender issues, subalternity and marginality. The book covers the genres of novels, poetry, autobiography and short stories. It investigates the potency of these literary forms as cultural expressions of resistance. It is an essential read for students, researchers and teachers worldwide who are enthusiastic and curious about the meanings and contexts of resistance and its representations in literature.

**Revisiting the Pancha Kanyas** Pradip Bhattacharya, 2007 [The Refugee Woman](#) Paulomi Chakraborty, 2018-07-27 *The Refugee Woman* examines the Partition of 1947 by engaging with the cultural imagination of the refugee woman in West Bengal, particularly in three significant texts of the Partition of Bengal: Ritwik Ghatak's film *Meghe Dhaka Tara* and two novels: Jyotirmoyee Devi's *Epar Ganga Opar Ganga* and Sabitri Roy's *Swaralipi*. It shows that the

figure of the refugee woman animated by the history of the political left and refugee movements and shaped by powerful cultural narratives can contest and reconstitute the very political imagination of woman that emerged through the long history of dominant cultural nationalisms The reading it offers elucidates some of the complexities of nationalist communal and communist gender politics of a key period in post independence Bengal     Rendezvous of Repertoire Ritushree Sengupta,2021-09-06 Rendezvous of Repertoire An Anthology of Critical Essays by Women is a collection of essays on diverse topics penned by female academicians More than an editorial work this has been a collective journey for all of us where we have grown together This work is our tribute to all the women academicians who have changed lives     **The Shifting**

Notwithstanding its renowned comprehensive narrative encapsulation of the Indic culture the Mahabharata keeps on posing a challenge to its contemporary readers how do we relate to something over two millennia old in today s context without freezing it in time This volume looks at the problem from diverse periods and standpoints and shows us that this challenge is in fact a legacy of the Mahabharata and the responses to this challenge are what makes the text ever contemporary to different readers of different times and positions It traces the evolution of the Mahabharata from its inception in the fifth century BCE to twenty first century spanning classical Sanskrit tradition Persian and Bengali adaptations the Mahabharata as a serialized TV show to more recent graphic narratives By attempting to analyse this diversity this volume further delves into how the issues in the Mahabharata resonate across time from the world of ancient sages to contemporary struggles of women The essays in this book adopt a dual perspective to appreciate both the Mahabharata s historical context its exploration of war heroes and heroines gender psychology philosophy and its implications for the future This book will be of interest to scholars and researchers of Indian literature ancient literature and philosophy English literature cultural studies visual studies gender studies and translation studies     *Manushi* ,2002     **Journal of South Asian Literature** ,2000
