Return to Authentic Christianity Robert Stearns, Chuck Pierce, Larry Kreider, 2011-07-28 Church trends fad or fine Is the Church trending toward or away from authentic Christianity Three Christian leaders present and discuss issues that every Christian needs to know Return to Authentic Christianity is a thorough examination of some of the most critical issues affecting the modern Church Written by respected Church leaders Robert Stearns Chuck Pierce and Larry Kreider Return to Authentic Christianity is for thinking believers interested in the direction the Church is currently heading Between the three of us we travel a combination of more than a half million miles each year And wherever we go we see both positive and alarming trends in the Body of Christ that impact us While troubling trends can cause deep concern they also provide opportunities for change write the authors Through exciting personal experiences coupled with credible and interesting hands on research results you will read with eyes wide open about significant trends and issues that are reshaping and impacting today s Church Your reaction to what you learn impacts future generations as the Church proclaims the good news of hope through God s Word as His Kingdom continues to expand worldwide You are the salt of the earth and the light of the world as you joyfully trust in Him and seek first His Kingdom Church Tomorrow? Stephanie Spellers, 2025-12-02

Remarkable a vision for the future that is decidedly not the way we ve always done it but instead shaped by the way of Jesus and his love from the foreword by Michael B Curry former Presiding Bishop of The Episcopal Church The Nones Dones Unchurched spiritual but not religious SBNRs Call them what you will they re a dominant force in American religion and the majority among Millennials and Gen Zers In Church Tomorrow Stephanie Spellers presents hard truths about declining religious affiliation in America paired with stories and wisdom from her interviews with dozens of young people who either

grew up with no faith or gave up formal religion Along the way she observes a course called Becoming Nonreligious in America at Santa Clara University in Atlanta Georgia she attends Sunday Assembly a secular congregation that caters to agnostics and atheists just outside the Twin Cities she interviews college students and leaders to discover current faith trends and in New York City she comes home to meet spiritual but not religious young adults who once attended her own church As she listens and learns she asks Why are younger generations passing on church What spiritual pathways and communities are they creating And how could their insights help to shape the future of Christian community Listen up today s young Nones and Dones have a prophecy for the church of tomorrow **Longing for More** Ruth Haley Barton,2010-04-07 Ruth Haley Barton looks at the complexity of women s lives and how women experience spiritual transformation Underneath all the confusion is a longing for freedom not the freedom to do as we please but the freedom to discover our full identity in Christ and use our gifts to serve him *Longing for Spring* Elaine A Heath,Scott T Kisker,2011-05-26 Delving into the widespread contemporary longing for a more serious and communal experience of Christianity this book provides important theoretical underpinnings and casts a vision for a new monasticism within the Wesleyan tradition Elaine Heathand Scott Kisker call for the planting of neo monastic churches which embody the Wesleyan vision of holiness in postmodern contexts This book also points toward some vital shifts that are necessary in theological education in order to equip pastorsto lead such communities Longing for Spring helps Wesleyans of all stripes understand the theory and praxis necessary for planting neo monastic communities as a new model of the church that is particularly important in the postmodern context The authors write in an engaging conversational style that is conversant with postmodern culture yet thoroughly informed by critical research Heath and Kisker boldly challenge the imagination of the church both within and beyond Wesleyan traditions to consider the possibility of revitalizing the church through the new monasticism *Practicing Passion* Kenda Creasy Dean,2004-04-26 Youth and the Quest for a Passionate Church Hitting the Ball You Cannot See Jurie Kriel,NXT Move Community,2025-09-09 In a world defined by unprecedented change the very foundations of society are shifting leaving many disoriented and searching for direction Technology is rewriting what it means to be human Trust is collapsing in our institutions and relationships Communities are more connected and yet more fragmented than ever For many leaders it feels like trying to swing at a ball you cannot see unpredictable invisible and moving faster than you can track Hitting the Ball You Cannot See is both a prophetic wake up call and a practical field guide for Christian leaders seeking to navigate this new reality with clarity courage and faith It challenges us not to retreat into what s familiar but to pioneer boldly into the unknown trusting that God is already present in the future we are stepping into Born out of global conversations with leaders across every continent this book explores the profound shifts shaping the next era of Christian faith and leadership the redefinition of humanity in light of technology the rise of digital existence the collapse of trust the changing dimensions of organization the shifting degrees of separation and the rediscovery of belonging Each chapter highlights one of these critical

shifts and pairs it with a practical leadership skill anticipating the unseen rebuilding trust cultivating collaboration embracing innovation and more This is not a book of abstract trends or academic theory It is a compass for leaders in every sphere of society pastors educators non profit leaders entrepreneurs and next gen pioneers who are determined to remain rooted in Christ while leading into an uncertain future Through vivid metaphors wisdom from global practitioners and deeply theological reflections readers are equipped to move beyond reacting to cultural disruption and instead anticipate innovate and disciple faithfully in the midst of it Reflection questions at the end of each chapter make this more than a book to read it is a conversation to join a movement to be part of and a call to personal and communal transformation In these pages you ll wrestle with questions such as Are we swinging at where the ball used to be or where it s headed How do we disciple in a digital age without losing depth How do we build intergenerational teams rooted in authenticity and trust What does it mean to pioneer kingdom innovation in a rapidly unraveling world Hitting the Ball You Cannot See offers hope direction and a vision for the future of Jesus following It reminds us that while the world may feel unpredictable God s Kingdom is unshakable This is how we lead into the future This is how we swing by faith not by sight

Cultivating Teen Faith

Richard R. Osmer, Katherine M. Douglass, 2018-10-25 What are churches doing to form the faith of their young people Many church denominations that practice infant baptism offer confirmation or an equivalent ministry when children reach adolescence and enter a new phase of spiritual growth but all churches regardless of tradition wrestle with how to get young adults to actively join the church What really works In this book twelve authors draw on a three year study of more than three thousand US congregations across five denominations United Methodist Church African Methodist Episcopal Church Episcopal Church Evangelical Lutheran Church in America and Presbyterian Church USA to answer this pressing question They tell stories of excellent and innovative confirmation programs that work and that show above all what good discipleship with young people looks like Youth pastors church leaders and parents alike will benefit from the practices and new ways of teaching presented here that have proven helpful in forming and enhancing the faith of youth Contributors Joy L Arroyo Reginald Blount Kenda Creasy Dean Katherine M Douglass Terri Martinson Elton Lisa Kimball Gordon S Mikoski Kermit Moss Richard R Osmer Kate Harmon Siberine Jacob Sorenson Kate O Unruh

The Pilgrim's Compass Paul H.

Lang, 2019-02-19 As we make our way into the twenty first century many Christians are looking for an expression of discipleship that speaks meaningfully to our time a faith yearning that is at once personally intimate and relevant and that grows out of and nurtures authentic Christian community The Pilgrim s Compass shepherds readers through a metaphorical pilgrimage to consider one s life a journey for faith formation Using this book as a guide to help Christians consider their journey as they walk through the four stages of intentional faithfulness disciples will encounter God wrestle with God be wounded as will God and be reborn as a new person with a new name The Pilgrim s Compass encourages individuals to embrace the ancient practice of pilgrimage both as metaphor for the daily walk of discipleship and as an intentional journey

of faith which uses prayerful travel to assist an inner transformation **The mission remains!** Johannes Sieber, 2021-09-15 Have you ever thought to yourself that the next generation somehow ticks differently This book shows the heart of Generation Y and Z and how our culture is being changed Even if many things alter the mission remains Johannes Sieber shows how to reach the young generation and inspire them to live with Jesus based on the enduring mission of Jesus In doing so the author vividly shows that a reformation is needed in our life thinking acting and communicating The book speaks precisely into our current time and calls for concrete steps Will you be challenged to a simple and powerful Jesus lifestyle

Fresh Expressions of the Rural Church Michael Adam Beck, Tyler Kleeberger, 2022-09-20 Learn to cultivate the extraordinary gifts of Christian community in the countryside with Fresh Expressions of the Rural Church by Tyler Kleeberger and Michael Beck The rural church was a community's centerpiece The place where people gathered to worship and hear a sermon break bread together and support each other through the joys and struggles of life with the land In many ways the rural church captured a central aspect of the church's mission to be the guiding hand for the life of a place Can rural congregations flourish again Can new Christian communities succeed in rural areas Could healthy rural churches catalyze a better future for their declining communities This book collects stories from the diversity of rural contexts across the US It lays out a fresh theology for rural life and offers principles for harnessing the potential of what some consider the forgotten spaces Each chapter includes a helpful Field Exercise questions for discussion and suggested actions for leadership teams to work through together Chapters conclude with a Field Story illustrating how the chapter's main ideas can work in a real church setting Praise for Fresh Expressions of the Rural Church Fresh Expressions of the Rural Church offers hope for the renewal that can take place in out of the way places In these sacred rural places folks can experience the love of God and neighbor undergo true healing participate in the renewal of community and discover a place to belong Daniel G Beaudoin Bishop Northwestern Ohio Synod Evangelical Lutheran Church in America Fresh Expressions of the Rural Church helps us to reconsider our Wesleyan roots and the gifts of our rural contexts a seedbed packed with possibility for new communities of faith to form and flourish Heather M Jallad Fresh Expressions specialist North Georgia Conference UMC Beck and Kleeberger have taken a sample of the good soil that is faithful rural mission identified the challenges celebrated the riches and offered us a powerful way to learn and be in partnership and connection with the gifts of God Ken Carter Bishop Florida and Western North Carolina Conferences of the United Methodist Church co author Fresh Expressions A New Kind of Methodist Church from Abingdon Press *If God Were Real* John Avant, 2009-07-07 In this provocative book pastor John Avant encourages readers to uphold a consistent practice of what they believe not just a verbalization of what they believe If Christians truly believe in God they should live genuinely changed lives as the ultimate proof that He is real Many Christians live their lives as if they do not believe in God They go to church and praise His name on Sundays but in their daily lives they don't think about the Lord that often They don't show much concern or charity for others They don't feel gratitude to the

Lord for His blessings They don't allow God's love to be reflected in their actions giving Christianity a bad name in the process In their practical day to day lives many Christians are almost living as though they are atheists Pastor Avant witnesses many Christians not living up to their claims and he asserts that there is not much Christ left in that form of Christianity In *If God Were Real* he challenges Christians to consider whether or not they believe in God If they do Pastor Avant wants readers to consider what life would be like if they lived as if they believed in God He advocates for the pursuit of a new Jesus movement that resembles Christ's original followers followers who were so steadfastly devoted to Him that their every action reflected His glory With *If God Were Real* readers will embark on an adventure of discovery of the real God and a life lived in praise of Him *Song of Songs and Lamentations, Volume 23B* Duane Garrett, Dr. Paul R. House, 2018-04-24

Not Another Teen Rally Gabrielle Jackson, 2007-06 Not Another Teen Rally presents essential key elements in how teens can change their generation through effective prayer lifestyle evangelism and more Christian **The Presence of Christ in the Gathered Assembly** Judith M. Kubicki, 2006-11-15 The Dogmatic Constitution on the Sacred Liturgy of Vatican II

reiterates the church's traditional teaching on the manifold presence of Christ in his church especially in liturgical celebrations in the priest the consecrated bread and wine the sacraments and when the gathered church prays and sings Nevertheless there continues to exist in both scholarly writing and popular piety an almost exclusive focus on the presence of Christ in the eucharistic species The purpose of this book is to examine the most elusive mode of the manifold presence of Christ mentioned above that is as it is symbolized within the assembly that gathers for worship Using the resources of several contemporary philosophical approaches including semiotics phenomenology personalism and existentialism the book draws attention to the forgotten or or less understood aspects of the belief in the presence of Christ in the gathered assembly and explores the implications of this belief for participating in the liturgy and living the Christian life While the book is scholarly in tone it has extremely practical ramifications for the ways in which the mass should be celebrated in millions of Catholic parishes around the world

Discipleship Parenting Kim Cameron-Smith, 2019-11-12 As Catholic parents we have one fundamental mission to raise children who know and love God and who are so in love with Christ that they can't help but share his message We are called not only to be disciples ourselves but to be discipleship parents evangelizing our children so they become disciples too That sounds great but we know this is not always easy The culture often stands in the way of our raising whole and holy children Sometimes our own failures wounds and weaknesses make it difficult to pour ourselves fully into the mission Even if we are working to plant the seeds of faith how can we ensure that the soil is cultivated so the seeds can grow and flourish In *Discipleship Parenting* Kim Cameron Smith provides tools and insights to help parents foster seven ideal growing conditions in the home Love Balance Play Merciful Discipline Empathy Radiant Faith A Strong Marriage Raising children to know and love Christ and to share that love with others is the most important work we will ever do Let's join together in *Discipleship Parenting* and respond to God's call and mission for all our families Click here to register for the related webcast ABOUT THE AUTHOR Kim Cameron Smith is the founder of the Intentional Catholic Parenting online ministry and the host of the Gentle Catholic Parenting Podcast where she explores the intersection between Catholicism and the science of parenting She is a licensed attorney and a member of the California state bar She holds a B.A. from Wellesley College an M.Phil. from Oxford University a Master of Theological Studies from Harvard University and a J.D. from U.C.
