Claypool, 2004-08 As a pastor John Claypool participated in the drama of suffering and death Then his 8 year old daughter was diagnosed with leukaemia and died 18 months later Out of the intensity of his personal struggle John shares his deepest feelings about the experience of his daughter s illness and death Publisher

Tracks of a Fellow Struggler John Rowan Claypool, 1995 **Tracks of a Fellow Struggler** John R. Claypool, 2019-11-17 John Claypool had been a pastor for almost two decades ministering to others who suffered through the loss of loved ones when the loss came home with the death of his eight year old daughter This book is the story of Claypool s own journey through the darkness written through four sermons The first was delivered just eleven days after his daughter s diagnosis of leukemia the second after her first major relapse nine months later and the third weeks after her death The final sermon a reflection on the process of grieving was preached three years later Job who also struggled with God and found him emerged twice the person he had been And so can we Though our journey will be uniquely our own when the time comes and come it will if we love at all Claypool has left tracks Furthermore he has not erased those places where he faltered They are honest tracks The Texas Churchman With more than a million copies sold Tracks of a Fellow Struggler is once again available in a hardcover edition perfect for gift giving or for anyone seeking God s comfort in difficult times to read and cherish *The Living Church* , 2004-07 **Shaped by Suffering** Kenneth Boa, 2020-02-04 Suffering comes to us all But Christians today are often not prepared to suffer well and have a shortsighted view of pain and trials In this book Ken Boa shows how God uses suffering to shape his children for eternity and to grow them in Christlike character The nature of our affliction is not as important as our response to it and God is at work through our hardships and wants to use them to prepare us for eternal life **A Necessary Grief** Larry J. Michael, 2015-03-27 A handbook to enable ministry leaders to help others through bereavement Grief is a difficult topic that ministry leaders deal with on a regular basis Do they have confidence in helping those who are suffering the loss of a loved one Do they feel equipped to meet the differing needs that occur in the life of a survivor Can they lead someone through a process of grief reconciliation Are they able to plan and implement a bereavement ministry in their church or parish Here is a book that can help leaders in a practical way to minister to those who are grieving In addition they will discover essential tools to deal with grief s difficult questions Drawing upon his thirty years of experience as a pastor and as a professional grief counselor Dr Michael provides a valuable resource for pastors and other grief leaders to use within their churches and organizations and their surrounding communities This work is a practical guide that will bring a greater understanding of the impact that loss has upon individuals and will provide competent counsel for ministering to them In addition it will equip the leader to implement a ministry of grief education and bereavement within a church or organization Facing Tomorrow Phyllis Cadc McElwain, PhD, Phyllis McElwain, 2010-07

A Road Too Short for the Long Journey Quentin P. Kinnison, 2019-02-04 The inevitability of death in our broken world

means that grief and mourning are a normal part of the human experience Too often though this normal journey of grief is cut short by a culture intent on pretending bad things don t really happen In *A Road Too Short for the Long Journey* readers are invited to consider how we might travel this road of mourning with those who grieve and how we might join them as partners in a reorientation of the world experienced through loss *Stories from the Edge* Greg Garrett,2008-01-01 Where is God in the midst of suffering How do people find strength and comfort in times of terrible adversity Award winning writer Greg Garrett addresses these questions and others as he helps readers grapple with the question of where God can be found in times of tragedy He explores the theological themes of biblical stories and American myths and discusses how these stories have shaped our beliefs about God He further examines what these foundational narratives reveal about our understanding of God how they inform how we live our lives and how we experience God s presence in the midst of grief and suffering This well written volume is engaging reading for clergy chaplains pastoral counselors and all who must find the courage and faith to support individuals and families in times of suffering and grief **What Shall We Say?** Thomas G. Long,2014-03-11 Tsunamis earthquakes famines diseases wars these and other devastating forces lead Christians to ask painful questions Is God all powerful Is God good How can God allow so much innocent human suffering These questions taken together have been called the theodicy problem and in this book Thomas Long explores what preachers can and should say in response he offers biblically based approaches to preaching on theodicy guided by Jesus parable of the wheat and the tares and the greatest theodicy text in Scripture The book of Job from book jacket
