Quality Assurance in Higher Education Roger Brown,2004-02-19 Along with funding quality assurance has become one of the major issues in higher education today This text provides an analytical account of the changes to quality assurance of UK universities and colleges from 1992 to 2003 It documents the shift from institutional self regulation to increased involvement of the state and examines the accompanying debate about the purposes forms and ownership of quality assurance as well as a wider consideration of the best means of regulating professional activities All the key developments and issues of quality assurance are covered including the background to the current debates the evolution of the post 1992 regime the role of the Higher Education Quality Council HEQC changes to assessment and the creation of a single system the formation and likely evolution of the Quality Assurance Agency QAA Roger Brown writes with an authority derived from his varied experiences in quality assurance He argues that the external quality regime to date has provided poor value for money and draws from the lessons learnt during the 1990s to assess the conditions required for effective regulation A Study in Legal History Volume III; Freedom under the Law Charles Stephens,2009-10-02 In his book Law and Politics The House of Lords as a Judicial Body 1800 1976 Robert Stevens wrote that Lord Denning was certainly the most interesting and possibly the most important English judge of the twentieth century Stevens also suggested that Lord Denning was one of the few English judges who

clearly merits an extensive intellectual biography Freedom under the Law essays this task by setting the jurisprudence of Lord Denning in the context of the history of the 1960s and 1970s assessing his writings about the law and examining his role in the Profumo affair and other major political and legal controversies of that era Lord Denning's approach to matters such as religion education the currency the Empire the Union national security the status of aliens and foreigners social change the family the rights of trades unions and the role of the courts in the regulation of industrial conflict and the City of London are examined in the course of a detailed consideration of the judgments which he handed down in the Court of Appeal between 1962 and 1982

Imitating Jesus Richard A. Burridge, 2007-10-22 In contrast to many studies of New Testament ethics which treat the New Testament in general and Paul in particular this book focuses on the person of Jesus himself Richard Burridge maintains that imitating Jesus means following both his words which are very demanding ethical teachings and his deeds and example of being inclusive and accepting of everyone Burridge carefully and systematically traces that combination of rigorous ethical instruction and inclusive community through the letters of Paul and the four Gospels treating specific ethical issues pertaining to each part of Scripture The book culminates with a chapter on apartheid as an ethical challenge to reading the New Testament using South Africa as a contemporary case study enables Burridge to highlight and further apply his previous discussion and conclusions

Kenneth Williams: Born Brilliant Christopher Stevens, 2010-10-14 Kenneth Williams was the stand out comic actor of his generation Beloved as the manic star of Carry On films and as a peerless raconteur on TV chat shows he was also acclaimed for serious stage roles Born Brilliant includes previously unseen material from Williams's candid daily journal and also draw on rare in depth interviews with friends and colleagues Since the publication of edited extracts from his diaries much controversy has surrounded Williams's personal and professional lives This biography traces the complex contradictions that characterised an extraordinary life and presents the first full portrait of a star who was born brilliant

1965 Christopher Bray, 2014-04-24 There is Britain before 1965 and Britain after 1965 and they are not the same thing 1965 was the year Britain democratised education it was the year pop culture began to be taken as seriously as high art the time when comedians and television shows imported the methods of modernism into their work It was when communications across the Atlantic became instantaneous the year when for the first time in a century British artists took American gallery goers by storm In 1965 the Beatles proved that rock and roll could be art it was when we went car crazy and craziness was held to be the only sane reaction to an insane society It was the year feminism went mainstream the year did she but know it that the Thatcher revolution began the year taboos were talked up and trashed It was when racial discrimination was outlawed and the death penalty abolished it marked the appointment of Roy Jenkins as Home Secretary who became chief architect in legislating homosexuality divorce abortion and censorship It was the moment that our culture reeling from what are still the most shocking killings of the century realised it was a less innocent less spiritual place than it had been kidding itself It was the year of consumerist relativism that gave us the country

we live in today and the year the idea of a home full of cultural artefacts books records magazines was born It was the year when everything changed and the year that everyone knew it
