Wilderness Travel Trailer Owners Manual 1998:

Trailer Life ,1975 On Holiday Orvar Löfgren,1999 A fun book to read witty and emotionally evocative without ever being sentimental or superficial It focuses on the common experiences of tourism familiar to readers from any class or culture and really enters the tourist imagination in stark contrast to most other books I ve read about tourism which act like the tourists are some sort of exotic livestock Richard Wilk author of *Economies and Cultures* A pleasure to read The author has accomplished the very difficult task of moving almost seamlessly from general observations to the specific and from the observations of others through time to his personal experience Erve Chambers editor of *Tourism and Culture* Lofgren takes us down countless paths that we didn t know were there His interests seem wonderfully idiosyncratic The issues that he deals with are thoroughly familiar but the angle of his light is very new Stephen M Fjellman author of *Vinyl Leaves*
