William Everson Call Expanded Steven Herrmann:

William Everson Steven Herrmann,2015-12-10 In 1991 author and Jungian psychotherapist Steven Herrmann was called by the poet shaman William Everson to collaborate on writing a book It is from that event that the subtitle of this book emerged The Shaman s Call Its aim is to instill in readers that if one follows one s calling from the shamanic archetype with the right attitude it could culminate in true cosmic awareness And it would interconnect the psyche with nature or what C G Jung called the Self Such awareness is made clear through the transfiguring power of American poet shamans who transmit what they are called by nature to convey that an experience of the Self is a life altering experience The calling can be transmitted by way of an animal power to a person through dreams transformative relationships in depth psychotherapy religious experiences art scientific endeavor or through the hearing reading or writing of shamanic poetry During the conversations with Everson emerged a vision of the way shamanism has been portrayed in American poetry from Herman Melville s Moby Dick to Walt Whitman s Leaves of Grass to Emily Dickinson s The Complete Poetry to what Everson achieved in his seminal poems October Tragedy The Encounter and Black Hills and in his literature course at the University of California Santa Cruz The conversations form a link between the 80 year old poet shaman and the 35 year old Jungian author Steven Herrmann who was just beginning to find his own wings as a poet The Expanded edition commemorates William Everson s birth on September 10 1912 Herrmann co organized three Centennial events to celebrate Everson s work in the fall of 2012 Part II contains Seven Meditations William Everson s Basic Teachings on Vocation a final conversation with Everson on vocatypes and Herrmann s Centennial essays and poems A Way to God Matthew Fox,2016-04-01 This unique reflection was prompted by an invitation Matthew Fox received to speak on the centennial of Thomas Merton s birth Fox says that much of the trouble he s gotten into such as being excommunicated in 1993 from the Dominican Order by Cardinal Ratzinger who later became Pope Benedict was because of Thomas Merton who sent Fox to Paris to complete a doctoral program in philosophy Fox found that Merton s journals poetry and religious writings revealed a deeply ecumenical philosophy and a contemplative life experience similar to that of Meister Eckhart the fourteenth century mystic theologian who inspired Fox s own creation spirituality It is little surprise to find Fox and Merton to be kindred spirits but the intersections Fox finds with Eckhart are intellectually profound spiritually enlightening and delightfully engaging **Emily Dickinson** Steven Herrmann,2018-03-21 Among the 19th century poets Emily Dickinson is by far the most scientifically minded Science is the voice that summoned Dickinson at Mount Holyoke Female Seminary and gave her unique distinction as a poetess of botanical and entomological and astronomical classifications Like no other 19th century poet she forms an integration between science and spirituality She studied at Holyoke at the exact historical moment of the first Seneca Falls Women s Rights Convention in 1848 This therefore is a feminist book It speaks up for the Divine Feminine On the front cover purple white rosemary blossoms are exploding with color Emily Dickinson s garden was a place where butterflies bees and

hummingbirds drank up the radiance of flowers Rosemary in particular was one of her favorite healing herbs C G Jung mentions the antitoxin of rosemary flowers as a synonym for the Self the total personality When Steven Herrmann refers to Emily Dickinson as a Medicine Woman he is speaking of an archetype of healing within all humans Her poems are enduring imprints of the Medicine Woman archetype It is by access to the Medicine Woman archetype that she is able to espouse a democracy of equality that the world needs right now She advises women to cherish Power and take heed from the Serpent We need a Medicine Woman to balance things out In a democratic sense she is a fierce and uncompromising spokeswoman for Liberty She is a dispenser of a new American myth for our times **Meister Eckhart** Matthew Fox,2014-06-10 Though he lived in the thirteenth century Meister Eckhart's deeply ecumenical teachings were in many ways modern He taught about what we call ecology championed artistic creativity and advocated for social economic and gender justice All these elements have inspired spiritual maverick Matthew Fox and influenced his Creation Spirituality Here Fox creates metaphorical meetings between Eckhart and Teilhard de Chardin Thich Nhat Hanh Carl Jung Black Elk Rumi Adrienne Rich and other radical thinkers The result is profoundly insightful substantive and inspiring **The MacGuffin** ,2000 *AFL Auto Worker* ,1952 *Cumulative Author Index to Psychological Abstracts* ,1975 **Arts & Humanities Citation Index** ,1981 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world's leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals *A Letter from William Everson Concerning A Privacy of Speech* William Everson,1976 William Everson (Brother Antoninus) Lectures William K.
