

STATION WAGON MODEL 4 • 4-71

Foreword

YOUR CAR has been thoroughly tested and inspected and we know that it will give you many miles of satisfactory service. Your Willys-Overland Dealer is interested to see that you receive this service and will cooperate with you in the proper maintenance of your car.

Be sure you receive your Owner's Service Policy and Identification Cards from your Dealer. You are requested to:

Read the Owner's Service Policy carefully to understand how to receive the benefits. If there are any points not thoroughly understood ask your Dealer.

Have your Dealer complete and mail us the New Car Delivery Record. This is important so that we will have complete information to cooperate with your Insurance Company or Police authorities in case of theft or other cause.

Have your Dealer complete both the Willys-Overland and the Electric Auto-Line Identification Cards. These serve as your identification should you require Warranty Service while traveling away from your Dealer.

Like any other piece of machinery, your car should be lubricated at the time recommended with the proper grade of oil and lubricants to maintain it in first class condition. You should also periodically have it systematically inspected at an authorized Willys-Overland Service Station.

In the following pages we have given information which every owner should have concerning the operation of his car. We have also given considerable information concerning care, to enable you to get the maximum service. Information is also made available concerning external adjustments and emergency repairs. Read and follow these instructions carefully; we are sure that you will then enjoy the satisfactory operation that you rightfully anticipate.

Should adjustments or repairs seem necessary beyond your ability, don't experiment; have the work done by a competent repair man. It will always prove best and cheapest in the end to have the work done by the Dealer from whom you purchased your car. Many Willys-Overland Dealers have factory trained mechanics and all are familiar with the construction and adjustments through the cooperation of the Manufacturer.

Caution

Accept and use only Genuine Factory Parts

Genuine parts are sold by all authorized Willys-Overland Dealers. Be sure that none other than genuine parts are placed in your car. Presence of parts other than those furnished by Willys-Overland may damage other parts of the vehicle and void our Warranty.

NOTE: Parts replaced under the terms of the Warranty (Page 4) must be left with the Willys-Overland Dealer who makes the replacement, if full credit is expected. This is important for owners to know when traveling where they cannot patronize the Dealer from whom the vehicle was purchased, and particularly when credit for old parts cannot be established to the satisfaction of the Dealer; in which case the parts are returned to the Factory for a decision. In this connection, the owner should give his forwarding address to the Dealer to insure credit being received.
