Modernism and Still Life Claudia Tobin, 2020-03-02 This book takes an original approach to still life in modern literature and the visual arts by examining the potential for movement and transformation in the idea of stillness and the ordinary

The Real and the Romantic Frances Spalding, 2022-07-07 The 21st century has seen a surge of interest in English art of the interwar years Women artists such as Winifred Knights Frances Hodgkins and Evelyn Dunbar have come to the fore while familiar names Paul Nash Eric Ravilious and Stanley Spencer have reached new audiences High profile exhibitions have attracted recordbreaking visitor numbers and challenged received opinion In *The Real and the Romantic* Frances Spalding one of Britain's leading art historians and critics takes a fresh and timely look at this rich period in English art The devastation of the First World War left the art world decentred and directionless This book is about its recovery Spalding explores how exciting new ideas co existed with a desire for continuity and a renewed interest in the past We see the challenge to English artists represented by Cézanne and Picasso and the role played by museums and galleries in

this period Women artists writers and curators contributed to the emergence of a new avant garde The English landscape was revisited in modern terms The 1930s marked a high point in the history of modernism in Britain but the mood darkened with the prospect of a return to war The former advance towards abstraction and internationalism was replaced by a renewed concern with history place memory and a sense of belonging Native traditions were revived in modern terms but in ways that also let in the past Surrealism further disturbed the ascetic purity of high modernism and fed into the British love of the strange Throughout these years the pursuit of the real was set against and sometimes merged with an inclination towards the romantic as English artists sought to respond to their subjects and their times **Resurgence** ,2010

Bibliography of Scotland ,1982 Winifred Nicholson Winifred Nicholson,Crane Kalman Gallery,1981 *Artists in Britain since 1945* David Buckman,2006 **Scottish Studies Review** ,2004 **Giacometti: Critical Essays** Peter Read,2017-07-05 *Giacometti Critical Essays* brings together new studies by an international team of scholars who together explore the whole span of Alberto Giacometti s work and career from the 1920s to the 1960s During this complex period in France s intellectual history Giacometti s work underwent a series of remarkable stylistic shifts while he forged close affiliations with an equally remarkable set of contemporary writers and thinkers This book throws new light on under researched aspects of his output and approach including his relationship to his own studio his work in the decorative arts his tomb sculptures and his use of the pedestal It also focuses on crucial ways his work was received and articulated by contemporary and later writers including Michel Leiris Francis Ponge Isaku Yanaihara and Tahar Ben Jelloun This book thus engages with energising tensions and debates that informed Giacometti s work including his association with both surrealism and existentialism his production of both high art and decorative objects and his concern with both formal issues such as scale and material and with the expression of philosophical and poetic ideas This multifaceted collection of essays confirms Giacometti s status as one of the most fascinating artists of the twentieth century **Chapman** ,1987 The Scottish Musical Magazine ,1922 **Choice** Timothy Clifford,Royal Scottish Academy,2005 Since taking the helm of the National Galleries of Scotland in 1984 Sir Timothy Clifford has overseen the acquisition of some of the finest and best loved works in the national collection This book chronicles the development of the collection under his directorship and casts light upon the wide range of acquisitions including the fascinating stories behind their purchase Lavishly illustrated highlights of the book include The Virgin Adoring the Sleeping Christ Child by Botticelli The Three Graces by Canova purchased jointly with the Victoria and Albert Museum London and the most recent major acquisition Venus Anadyomene by Titian Works from the Scottish National Gallery of Modern Art s internationally renowned Surrealist collection are also featured as well as paintings from the Scottish National Portrait Gallery **Life, Times and Work of William Gillies, 1898-1973** Andrew McPherson,2024-11-30 For seventy years William Gillies has been seen as a placid painter of landscape and decorative still life Andrew McPherson explodes this view to reveal a modernist whose response to the instabilities and violence of modernity

touched universals of human experience Gillies idiom was shaped by institutions for artistic production unique to Scotland But it was the politics of Scotland s connections to the rest of the British Isles that produced his mythic and misleading reputation New paintings and new meanings are uncovered placing the micro effects of modernity on mental health family and community in the wider contexts of war nationalism and public patronage McPherson also shows how this changing world led Gillies towards new applications of modernist expression Lavishly illustrated and referencing almost one thousand works this major reappraisal is an indispensable source on the cultural politics of a four nation state and the reception of modernism in Britain
