Trotsky and the Problem of Soviet Bureaucracy Thomas M. Twiss,2014-05-08 During the twentieth century the problem of post revolutionary bureaucracy emerged as the most pressing theoretical and political concern confronting Marxism No one contributed more to the discussion of this question than Leon Trotsky In *Trotsky and the Problem of Soviet Bureaucracy* Thomas M Twiss traces the development of Trotsky s thinking on this issue from the first years after the

Bolshevik Revolution through the Moscow Trials of the 1930s Throughout he examines how Trotsky's perception of events influenced his theoretical understanding of the problem and how Trotsky's theory reciprocally shaped his analysis of political developments Additionally Twiss notes both strengths and weaknesses of Trotsky's theoretical perspective at each stage in its development **Writings of Leon Trotsky: 1930-31** Leon Trotsky, 1969 **The Power and Politics of Art in**

Postrevolutionary Mexico Stephanie J. Smith, 2017-11-14 Stephanie J. Smith brings Mexican politics and art together chronicling the turbulent relations between radical artists and the postrevolutionary Mexican state The revolution opened space for new political ideas but by the late 1920s many government officials argued that consolidating the nation required coercive measures toward dissenters While artists and intellectuals some of them professed Communists sought free expression in matters both artistic and political Smith reveals how they simultaneously learned the fine art of negotiation with the increasingly authoritarian government in order to secure clout and financial patronage But the government Smith shows also had reason to accommodate artists and a surprising and volatile interdependence grew between the artists and the politicians Involving well known artists such as Frida Kahlo Diego Rivera and David Alfaro Siqueiros as well as some less well known including Tina Modotti Leopoldo M ndez and Aurora Reyes politicians began to appropriate the artists' nationalistic visual images as weapons in a national propaganda war High stakes negotiating and co-opting took place between the two camps as they sparred over the production of generally accepted notions and representations of the revolution's legacy and what it meant to be authentically Mexican *Writings of Leon Trotsky.
