The Cultural Cold War and the Global South

Kerry Bystrom, Monica Popescu, Katherine Zien, 2021-07-27 This volume investigates the cultural sites where the global Cold War played out It brings to view unpredictable encounters that arose as writers artists filmmakers and intellectuals from or aligned with the Third World navigated the ideological and material constraints set by superpowers and emerging regional powers Often these encounters generated communitas and solidarity while at times they fed old and new conflicts Pushing forward recent scholarship that tracks the Cold War in the Global South and draws on postcolonial approaches our contributors use archival secondary and ethnographic sources to trace the afterlives and memories of key figures and to explore meetings that performed cultural diplomacy Our focus on sites of encounter or exchange underscores the situated interpersonal and embodied dimensions through which much of the cultural Cold War was experienced While the global conflict divided citizens along ideological fault lines it also linked people through circulating media novels film posters journals and theatre and multinational conferences that brought artists intellectuals and political activists together Such contacts introduced new axes of solidarity and hierarchies of exclusion Examining these connections and disjunctures this new and necessary mapping of the cultural Cold War highlights under addressed locations in Asia Africa and Latin America

When the News Broke Heather Hendershot, 2024-04-05 A riveting blow by blow account of how the network broadcasts of the 1968 Democratic convention shattered faith in American media The whole world is watching cried protestors at the 1968 Democratic convention as Chicago police beat them in the streets When some of that violence was then aired on network television another kind of hell broke loose Some viewers were stunned and outraged others thought the protestors deserved what they got No one least of all Chicago mayor Richard J Daley was happy with how the networks handled it In When the News Broke Heather Hendershot revisits TV coverage of those four chaotic days in 1968 not only the violence in the streets but also the tumultuous convention itself where Black citizens and others forcefully challenged southern delegations that had excluded them anti Vietnam delegates sought to change the party s policy on the war and journalists and delegates alike were bullied by both Daley s security forces and party leaders Ultimately Hendershot reveals the convention as a pivotal moment in American political history when a distorted notion of liberal media bias became

mainstreamed and nationalized At the same time she celebrates the values of the network news professionals who strived for fairness and accuracy Despite their efforts however Chicago proved to be a turning point in the public s trust in national news sources Since those critical days the political Right in the United States has amplified distrust of TV news to the point where even the truest and most clearly documented stories can be deemed fake As Hendershot demonstrates it doesn t matter whether the whole world is watching if people don t believe what they see **Sessional Papers** Great Britain.
