Yesterday's Rain Roy E. Haney, 2009-02-22 On a brisk and sunny day in January of 1948 a young beautiful woman has been brutally beaten to death and found in a back alley in Los Angeles California Her face is unrecognizable There are no dental records no matching fingerprint record and no missing person record The only leads are a tattoo of a blue buffalo on the glamorously dressed woman s shoulder and an elusive dark Packard sedan Acclaimed homicide detective JD Pearson is assigned to investigate the murder He will find that this is no ordinary murder This murder has a mysterious family history of vengeance and death spanning almost three decades and a journey of 1450 miles from Boswell Oklahoma to Los Angeles This history includes the involvement of a powerful Native American spirit the Blue Buffalo And this legendary bison will avenge this woman s death *Railway Age. Severin, 2013-11-18 The journey between puberty and that of becoming a woman is not an easy one And Raven is finding out that the path she has chosen is filled with unimaginable hardship Frustrated with her family and filled with the guilt of those she has hurt Raven runs away from home Finding herself alone and lost in the wilderness she must now confront her fears and the elements Guided by the Creator Raven is led to a hidden valley There she will regain her faith and find the hidden skills she will need to survive in Shadowland The passing of time is but a small part of the journey we all must face Our lives are dictated by the pathes we take and subsequently we must endure the consequences of those choices These things still hold true today as much so as they did when God first created man *The Quarterly of the Oregon Historical Society*
