Rare Astrological Yogas with Stories Saket Shah, 2025-02-21. I am practicing astrology from my childhood and with multiple decades of experience, I am presenting in this book. I am telling 34 stories related to rare yogas and astrological insights. Astrology is a divine science, and everybody should learn it to understand the divine code of this universe. How our karma of past life manifests in the present life, and it reflects in our horoscope. Horoscope is nothing but a snapshot of our karma of past life. In this book, based on scriptures and lost text, I am providing 34 short stories to explore the astrological yogas. I hope people will love reading this, and I welcome everyone to dive in to this divine knowledge. Regards, Saket Shah.

Three Hundred Important Combinations Bangalore Venkat Raman, 2016-01-01. Three Hundred Important Combinations is intended to provide knowledge of the Yogas which indicate specific horoscopic trends. All planetary combinations are divided into two groups: viz. Yogas and Aristhas, or fortunes and misfortunes. It deals with various standing combinations of yogas. The systematised account of all the important yogas is brought out so that it may illustrate practical horoscopes. The book certainly claims credit for being the first to bring together all scattered information and present it systematically.

Parivartana Yoga Alan Annand, 2015-08-21. Parivartana Yogas are said to be among the most powerful of planetary combinations, having the capacity to link the effects of two astrological houses in a chart. However, aside from what we find explicitly in Mantreswara's Phala Deepika, there's little in the literature, neither in the many classics of Jyotisha nor in modern books, to help us understand these yogas. In this book, an invaluable reference work for any Vedic astrologer's library, the author describes the effects for each of the 66 combinations of house lord exchange, also known as mutual receptions. A case study of a famous person accompanies each combination.
