truth that you are not enough but God is In Gospel Centered Mom Brooke McGlothlin reveals how our entire approach to motherhood shifts when we stop chasing our vision of a perfect family and start full out pursuing God With refreshing candor Brooke examines the daunting task of raising children in the light of God s Word and challenges you to embrace your moment by moment need for Jesus release the stress of believing everything is your responsibility learn to fight for rather than against your child believe that the story God is writing with your life is worth the sacrifice practice the daily disciplines that lead to Gospel centered parenting As you learn to anchor your life in the Gospel you ll find increased freedom purpose and joy in motherhood And you ll discover that Jesus is more than capable of meeting every need for your children and for you
