Contested Childhoods: Growing up in Migrancy Marie Louise Seeberg, Elżbieta M. Goździak, 2016-10-25 This book is open access under a CC BY NC 2.5 license This open access book explores specific migration governance and identity processes currently involving children and ideas of childhood Migrancy as a social space allows majority populations to question the capabilities of migrants and is a space in which an increasing number of children are growing up In this space families nation states civil society as well as children themselves are central actors engaged in contesting the meaning of childhood Childhood is a field of conceptual moral and political contestation where the battles may range from minor tensions and everyday negotiations of symbolic or practical importance involving a limited number of people to open conflicts involving violence and law enforcement The chapters demonstrate the importance of how we understand phenomena involving children when children are trafficked seeking refuge taken into custody active in gangs or in youth organisations and struggling with identity work This book examines countries representing very different engagements and policies regarding migrancy and children As a result readers are presented with a comprehensive volume ideal for both the classroom and for policy makers and practitioners The chapters are written by experts in social anthropology human geography political science sociology and psychology

Doing Ethnography in the Wake of the Displacement of Transnational Sex Workers in Yokohama Ayaka Yoshimizu, 2021-11-22 Doing Ethnography in the Wake of the Displacement of Transnational Sex Workers in Yokohama reflects on the politics poetics and ethics of remembering the lives of transnational migrant sex workers in postcolonial Japan Drawing on ethnographic fieldwork in the port city of Yokohama the book focuses on the water trade in the Koganecho neighbourhood where exploitative and stigmatised labour took place involving sexual services performed by migrant women In recent years the city has sought to rebrand Koganecho evicting transnational migrant sex workers who had been integral to postindustrial development and erasing their past presence The author explores Yokohama's memoryscapes in the aftermath of displacement through embodied knowledge engaging her senses and ethics as a colonizer researcher as she navigates the elusive past through traces that remain in the present She examines the city's built environment official historical narratives films and photographic works With few brothels and workers remaining Yoshimizu fills the gap with her own interactions encounters and imaginings Yoshimizu also writes through the imagery of water in ways that are informed by the local usage and imaginations the ocean flowing rivers swamps humidity alcohol the fluidity of relationships and transient lives The water also offers a way to sense the ghost or the displaced lives and the effects of displacement that like humid air stick to those who occupy or inhabit the site of

displacement today This interdisciplinary work makes a valuable contribution to sensory studies memory studies migration studies and Asian studies

Post-War Prostitution Roos de Wildt, 2019-08-12 Amidst ongoing allegations of inappropriate behavior and trafficking during UN peacekeeping missions this volume takes a step back to analyze the post war and peacekeeping contexts in which prostitution flourishes Using ethnographic research conducted in Kosovo from 2011 to 2015 this book offers an alternate understanding of the growth of the sex industry in the wake of war It features in depth interviews with the diverse women engaged in prostitution with those facilitating it and with police prosecutors and gynecologists Drawing on the perspectives of women engaged in prostitution in the wake of war this volume argues that the depiction of these women as victims of trafficking in the hegemonic discourse does more harm than good Instead it outlines the complex set of circumstances and choices that emerge in the context of a growing post war sex economy Extrapolating the conclusions from the study of Kosovo this book is a valuable resources for researchers and practitioners studying the aftermath of war in the Balkans and beyond and researchers engaged with the function of the UN and peacekeeping missions internationally

Human Trafficking in Asia Sallie Yea, 2014-01-03 By analysing the complex issues surrounding internal and cross border human trafficking in Asia and asserting critical perspectives and methodologies this book extends the range of sites for discussion and sectors in which human trafficking takes place The book re centres human trafficking as an area of legitimate academic inquiry in a region that is often considered as an epicentre for human trafficking East and Southeast Asia It thus offers an in depth analysis and up to date knowledge on research methodologies and engagements patterns and forms of human trafficking constructively critiquing anti trafficking campaigns and discourses and offering examples of good practice within the region that help us move beyond the impasse that currently hampers human trafficking as a field of inquiry in the social sciences Providing constructive avenues for human trafficking research to proceed methodologically theoretically and ethically this book is of interest to students and scholars of Politics International Relations and Southeast Asian Studies

The Routledge International Handbook of the Crimes of the Powerful Gregg Barak, 2015-06-05 Across the world most people are well aware of ordinary criminal harms to person and property Often committed by the powerless and poor these individualized crimes are catalogued in the statistics collected annually by the FBI and by similar agencies in other developed nations In contrast the more harmful and systemic forms of injury to person and property committed by powerful and wealthy individuals groups and national states are neither calculated by governmental agencies nor annually reported by the mass media As a result most citizens of the world are unaware of the routinized crimes of the powerful even though they are more likely to experience harms and injuries from these types of organized offenses than they are from the atomized offenses of the powerless Research on the crimes of the powerful brings together several areas of criminological focus involving organizational and institutional networks of powerful people that commit crimes against workers marketplaces taxpayers and political systems as well as acts of torture terrorism and genocide This international handbook

offers a comprehensive authoritative and structural synthesis of these interrelated topics of criminological concern It also explains why the crimes of the powerful are so difficult to control Edited by internationally acclaimed criminologist Gregg Barak this book reflects the state of the art of scholarly research covering all the key areas including corporate global environmental and state crimes The handbook is a perfect resource for students and researchers engaged with explaining and controlling the crimes of the powerful domestically and internationally **Migration, Refugees and Human Security in the Mediterranean and MENA** Marion Boulby, Kenneth Christie, 2018-03-15 This book focuses on the Mediterranean MENA migration crisis and explores the human security implications for migrants and refugees in this troubled region Since the Arab uprisings of 2010 2011 the Middle East and North Africa region has experienced major political transformations and called into question the legitimacy of states in the region Displaced populations continue to suffer due to the major conflicts in Syria Iraq and elsewhere causing fragmentation and dis integration of communities Contributors to this volume analyze how and why this crisis differs significantly from previous migration refugee flows in the region explain the historical and political antecedents of this crisis which have played a part in its shaping and explore the relationship between human security and the protection of vulnerable individuals and groups **Gender Matters in Global Politics** ,2010

Legalized Prostitution in Germany Annegret Staiger, 2022-02-01 Germany has been infamously dubbed the Brothel of Europe but how does legalized prostitution actually work Is it empowering or victimizing realistic or dangerous In Legalized Prostitution in Germany Annegret D Staiger s ethnography engages historical cultural and legal contexts to reframe the brothel as a place of longing and belonging of affective entanglements between unlikely partners and of new beginnings across borders while also acknowledging the increasingly exploitative labor practices By sharing the stories of sex workers clients and managers within the larger legal system meant to provide dignity and safety through regulation Staiger skillfully frames the economic aspects of commercial sex work and addresses important questions about sexual labor intimacy and relationships Weaving insightful scholarship with beautiful storytelling Legalized Prostitution in Germany provides readers with a deeper understanding of the complexities of legalized prostitution
