Wildflowers In The Median A Restorative Journey Into Healing Justice And Joy:

Wildflowers in the Median Agnes Furey, Leonard Scovens, 2012-11-09 When Agnes Furey lost her forty year old daughter Pat and six year old grandson Christopher to homicide in 1998 at the hands of Leonard Scovens words could not describe the hole left in her heart Even so rather than hate Furey chose peace and she reached out to Scovens in prison *Wildflowers in the Median* tells the story of their journey of restoration Through a collection of poems vignettes and letters both Furey and Scovens pour out their emotions and reflections It is a tale not of forgiveness but of understanding a story of a survivor of crime and a criminal finding communion as each struggles with grief and suffering eventually coming to terms with their spiritual identities and a desire to help others in similar circumstances A valuable testament to the human heart and its capacity to love *Wildflowers in the Median* shows how grace was found in the aftermath of a tragedy
