Blue Cadillac Chariss K. Walker, An antique blue Cadillac What could it mean What relevance could it have to this dystopian crime story The sequel to Purple Kitty continues Serena's courageous story in Blue Cadillac You will NOT enjoy this story unless you have read the first book Purple Kitty This series is not for everyone As one 5 Star reviewer said Chilling as an ice bath When I reviewed the first book of the series I said I wanted resolution I found it in this book Serena McKay has gone into hermit mode after the events of the other book drinking and not allowing anyone inside her door Her foster father Henry has finally had enough and goes to Serena's sixth floor apartment and kept knocking for hours until she finally reacted and let him in The two of them talked as they never had before They talked about the erosion of rights for the illusion of safety Serena asked the questions and Henry answered The destruction of society the ceding of rights without realizing it the utter lack of privacy all the things our current society is facing right now and Henry had answers for Serena By the next morning

they both had renewed purpose and were determined to catch the Cellophane Killer This was every bit the resolution I needed Thanks Ms Walker Serena McKay P I lives in a post apocalyptic time where the rich get richer and the poor become destitute In August City you are either rich or poor Existence there is nightmarish and chilling for most of its residents Fans of Jessica Jones and post apocalyptic fiction will love Serena McKay s Crime Novels Serena has suffered from devastating emotional and physical abuse first as a child and then during her career with the Police Department You d think it would have made her bitter but it didn t Instead it made her a little crazy in relatable ways and despite that flaw and others she continues to do her job with bravery Serena McKay caught The Cellophane Killer in Purple Kitty Book 1 however she gets a freaky message that blows her mind He s coming for you It could have only come from one person Did this notorious serial killer escape from the Supermax Prison Is he really back If he is back can Serena finally put him away for good this time Author warning Emotional triggers of all kinds Language Alcohol and drug use Physical and emotional abuse **Purple Kitty** Chariss K. Walker, Not so cute and cuddly It s not a cozy mystery It s not like any crime story you have read Serena McKay P I lives in a post apocalyptic dystopian time where the rich get richer and the poor are homeless Existence in August City is nightmarish at best and disastrously chilling at worst Serena has suffered from devastating emotional and physical abuse but she continues to do her job despite it Fans of Jessica Jones and post apocalyptic fiction will love Purple Kitty As a strong albeit dysfunctionally flawed private investigator Serena uses every weapon in her arsenal to solve bloodcurdling crimes in this hard boiled dark fiction dystopian thriller series while a notorious serial killer is after her green eyes Can Serena catch The Cellophane Killer who slaughters women with green eyes and then wraps them up in cellophane like a sandwich for her to find Will she catch him or will he catch her Find out now It s not like any crime story you have read before Authors Warning Language Sexual abuse murder violence drug alcohol use triggers of many kinds Rated R
