Wings Of Madness The Blackhawk Group:

Point Man Eric Sikes,2015-12-12 There is a secret society attempting to take over the world we know today but it would be impossible without men like Jake Chapel His soul purpose in life has been to guard secrets retrieve information and fight for what they believe in He has killed for them bled for them and when the time comes he would die for them Take a look into the extraordinary world of Jake Chapel Recruited by The Blackhawk Group at the age of eighteen and trained as a Navy Seal Jake has given his life fighting on the front lines for a New World Order that will one day reign His sacrifices have been great but his accomplishments for the agency have been even greater When he s put to the ultimate test finding a traitor within the organization he becomes imprisoned between his allegiance to the company and his will to survive Accused of being the traitor himself Jake is now on the run hunted by his own people who have turned against him But with his loyalty questioned Jake will fight even against them

Dreamland Eric Sikes,2016-05-26 In Dreamland nothing is what it seems so when a group of total strangers wake up in the dark in a place they know nothing about what could only be described as a quest begins as they search for reasoning and a way out Having no idea how they arrived at this strange place they must search for answers and determine who or what is keeping them here Faced with real world scenarios to either succeed by doing what s necessary or perish with failure they must learn to work together if they expect to survive Guiding the way and driven by a need to lead by example ex U S Army Intelligence Agent Brad Miller puts his own life above all others and obtains the respect of a psychologist a geek a mentor a dancer and a photojournalist These people might be the last he ever sees and the last friends he might ever make as he attempts to free them from this strange place
