Writing On The Wall Tom Standage:

Writing on the Wall Tom Standage, 2014-09-16 Chronicles social media over two millennia from papyrus letters that Cicero used to exchange news across the Empire to today reminding us how modern behavior echoes that of prior centuries and encouraging debate and discussion about how we'll communicate in the future *Let There Be Art* Rachel Marie Kang, 2022-10-11 Perhaps in no other way do we more vibrantly reflect our creator than with our creativity Whether through music writing baking painting posting on social media dancing or any other form of artistic expression within our grasp we were created to create Yet there are times we may be unsure about our art times when our creating and making doesn't feel possible or purposeful or practical Rachel Marie Kang wants you to know that your art is not peripheral to life it is at the very heart of why you exist and what you have to offer to yourself and to the world In *Let There Be Art* she gives you permission to embrace the peace pleasure and purpose inherent in your art and in the process of making it This passionate creative and cathartic journey invites you to create truthfully out of the broken and beautiful pieces of your life as well as offer your heart and your art in hopes of helping a hurting world
