Pierson, 2015-02-24 A journal style book containing inspirational messages from Pope Francis Time magazine s Person of the Year for 2013 Only a little over a year into his papacy Pope Francis is being hailed by the news media Christians and non Christians alike as a refreshing figure in the Vatican His humility piousness and forward thinking ideas have been celebrated around the world Reflections from Pope Francis features brief excerpts for reflection from Pope Francis s homilies speeches and addresses along with invitation to prayer writing and action in a unique journal style book with space on each page for the reader to write down their own reflections on the powerful messages contained within each page Complete with a focusing statement and scripture passages that introduce and summarize the theme of that page s reflection these excerpts highlight important themes for humanity such as care for the poor mercy forgiveness and brotherhood Pope Paul VI and his Quest for Peace: 1963-1978 Rev John F Tuohey PhD., 2024-12-10 Pope Paul VI 1963 1978 ranks among the most influential even if less recognized figures in the history of the twentieth and we can even say twenty first century Roman Catholic Church He inherited and embraced what he had first described as the hornet s nest of Vatican Council II created by his friend and predecessor John XXIII In fulfilling the mandate of aggiornamento renewing and updating the Church Paul VI took particular interest in the Church s engagement in the modern world as an instrument of peace It was to the pursuit of peace that he dedicated his papacy setting aside the traditional role of a pope as a neutral party and possible mediator and embracing the role of humanity s moral conscience speaking out in ways that suggested he was choosing sides The US State Department suggested his vision of neutrality was unbalanced because of his persistent condemnation of the US bombing strategy in Vietnam A singular moment in his quest for world peace was his unprecedented address to the United Nations General Assembly sixty years ago on October 4 1965 There he boldly challenged the 116 represented nations to move forward to a world where there was Never again one against the other Never again war It is to mark this 60th anniversary that the two volumes of Pope Paul VI and His Quest for World Peace are written Volume 1 Never again war examines his historic 1965 visit to New York and his guiding through Vatican Council II changes in Church teaching in finding a new attitude towards war and peace Volume 1 also explores in detail his unusual relationship with President Johnson and the role he played in the initiation of the Paris Peace Talks that would eventually end US military engagement in Southeast Asia Volume 2 If you want peace provides a

commentary on the annual New Year's Peace Messages he first gave in 1968 and continued throughout the remainder of his papacy. In these he offers an exact idea of peace seeking to move humanity away from the both ancient and contemporary adage: If you want peace prepare for war towards a more positive: If you want peace promote human rights. 1969 and work for justice. 1972 In these two volumes Tuohy gives a coherent and compelling narrative of key historical moments and theological insight into this sometimes described as forgotten pope bringing the pope and his message back to mind for the benefit of humanity.

American Political Humor Jody C. Baumgartner, 2019-10-07

This two-volume set surveys the profound impact of political humor and satire on American culture and politics over the years, paying special attention to the explosion of political humor in today's wide-ranging and turbulent media environment. Historically, there has been a tendency to regard political satire and humor as a sideshow to the wider world of American politics, entertaining and sometimes insightful but ultimately only of modest interest to students and others surveying the trajectory of American politics and culture. This set documents just how mistaken that assumption is. By examining political humor and satire throughout US history, these volumes not only illustrate how expressions of political satire and humor reflect changes in American attitudes about presidents, parties, and issues, but also how satirists, comedians, cartoonists, and filmmakers have helped to shape popular attitudes about landmark historical events, major American institutions, and movements, and the nation's political leaders and cultural giants. Finally, this work examines how today's brand of political humor may be more influential than ever before in shaping American attitudes about the nation in which we live.

The Eucharistic Vision of Laudato Si Lucas Briola, 2022-12-28

No other encyclical has generated as much conversation, both Catholic and non-Catholic, as *Laudato si*. Often forgotten in these conversations is the theological heart and

eucharistic vision of the encyclical and its integral ecology Even the title of *Laudato si* Praised be signals the centrality of right praise in caring for our common home Using Bernard Lonergan s theology of history this book unearths the doxological eucharistic vision that shapes the encyclical s integral presentation of social and ecological conversion It offers the first book length study that recovers the eucharistic nature of *Laudato si* In drawing out the eucharistic vision of *Laudato si* the book accomplishes several feats for the reader It roots the eucharistic dimensions of the encyclical in the writings of Popes John Paul II and Benedict XVI showing how Pope Francis develops their thought in notable ways It introduces Bernard Lonergan s theology of history showing how his framework can capture the eucharistic contours of caring for our common home so too in light of *Laudato si* does the book expand his theology of history to incorporate both ecological concern and the doxological eucharistic essence of the church The book assembles a liturgically shaped systematic account of the church s social mission It joins poles otherwise sundered in a polarized church and world between worship and justice between concerns for human life and concerns for the natural world Realizing the eucharistic vision of *Laudato si* promises much for our contemporary moment Pope Francis recently observed that the integral ecology of *Laudato si* holds the key for the world s recovery from the COVID 19 pandemic The U S Catholic Bishops recently launched a Eucharistic Revival that aims to rekindle eucharistic devotion and praxis The Eucharistic Vision of *Laudato Si* Praise Conversion and Integral Ecology supplies a timely study that helps fulfill these intertwined calls
