Undead Apocalypse Stacey Abbott,2016-09-08 Explores the intersection of the vampire and zombie with 21st Century dystopian and post apocalyptic cinemaTwenty first century film and television is overwhelmed with images of the undead Vampires and zombies have often been seen as oppositional one alluring the other repellant one seductive the other infectious With case studies of films like I Am Legend and 28 Days Later as well as TV programmes like Angel and The

Walking Dead this book challenges these popular assumptions and reveals the increasing interconnection of undead genres Exploring how the figure of the vampire has been infused with the language of science disease and apocalypse while the zombie text has increasingly been influenced by the trope of the reluctant vampire Stacey Abbott shows how both archetypes are actually two sides of the same undead coin When considered together they present a dystopian sometimes apocalyptic vision of twenty first century existence Key features Rather than seeing them as separate or oppositional this book explores the intersection and dialogue between the vampire and zombie across film and television Much contemporary scholarship on the vampire focuses on Dark Romance while this book explores the more horror based end of the genre Offers a detailed discussion of the development of zombie television Provides a detailed examination of Richard Matheson's I Am Legend including the novel the script the adaptations and the BBFC's response to Matheson's script
